on May 27 1963 I requested permission
from the FCC headquarters at 399 Bowling
New York 3, N.Y. to try to form a local
branch in New Orleans. I received a
caution but enthusiastic go ahead from
V.T. Lee National Director of FCC and
then made a layout and had printed
publicity literature for the setting up of
a local FCC and hired persons to distribute
literature. I then organized persons who
display receptive attitudes toward color
to distribute pamphlets. I sought sympathy
from Latin American consuls of which there
are many here in New Orleans, I infiltrated
the Cuban Student Directorate and that
carried them with information I gained
including having the N.A. city attorney
general call them in on a restraining
order pending a hearing on some so-called
bonds for invasion they were selling
in the New Orleans area. I caused
the formation of a small, active, FCC
organization of members and sympathizers
where before there was none.
