

Commission Exhibit # 180

Dear Mavis

Received your letter today  
and was surprised that you  
are working on a ranch. Where  
is Crowwell Texas, anyway?  
How is it you decided to  
go there?

But I am glad you  
think Mavis is beautiful and  
I shall be glad to hear. She  
hasn't had a mother and father  
they are dead. But she has  
a lot of aunts and uncles here  
in Minn. and also in Liverpool where  
she was born. She was living at  
her aunts place when I met her  
they are real nice people her  
uncle is a major in the Soviet  
army. She work as a druggist.  
She finished the university two years  
ago for that occupation.

We are in good health and  
I'm glad you are with good people also.

P.S. Mavis, read  
her love, also.

Love  
Kel
