Dear Betty,

I hope you received my last letter of Dec 21. As I then said we shall receive the spirit again to leave the country in Newark on any good night now what we need is money for the ticket maybe you can try to get some in Newark about that they should notify the American Embassy there for information. We received your package of magazine on about now. Please write that to Mary today. I also received a post card from you. The weather is very cold and wet here, but no ice in the snow. Please to getting fine and some to love.

Did you receive the tea and candy from us? If so show that your love. This dinner will give many letters soon.

Betty
