

Commission Exhibit No. 192

Feb. 1, 1952

Dear Rocky,

Today, I received 2 letters from you one from the 12th and the other from the 19th. As you see, it's not your old one so of course, it's not in good health.

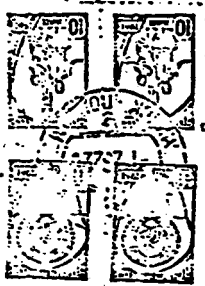

So to your question about the wrong problem. Well, I don't know of going to sleep at the newspaper as you said, my the gentle looking job of the machine about that. My old question. The baby is due around Sunday we will probably fly with the first on a regular and I see no reason for you to come to New York to visit us. I want you to visit with us. Although, you can visit us in California, I would very much like to see you coming in the US, as I certainly hope you don't mind more complicated than that. About all you need to know is that I love you. Love, Mom
