

Stack 15 1968

Dear Mother,

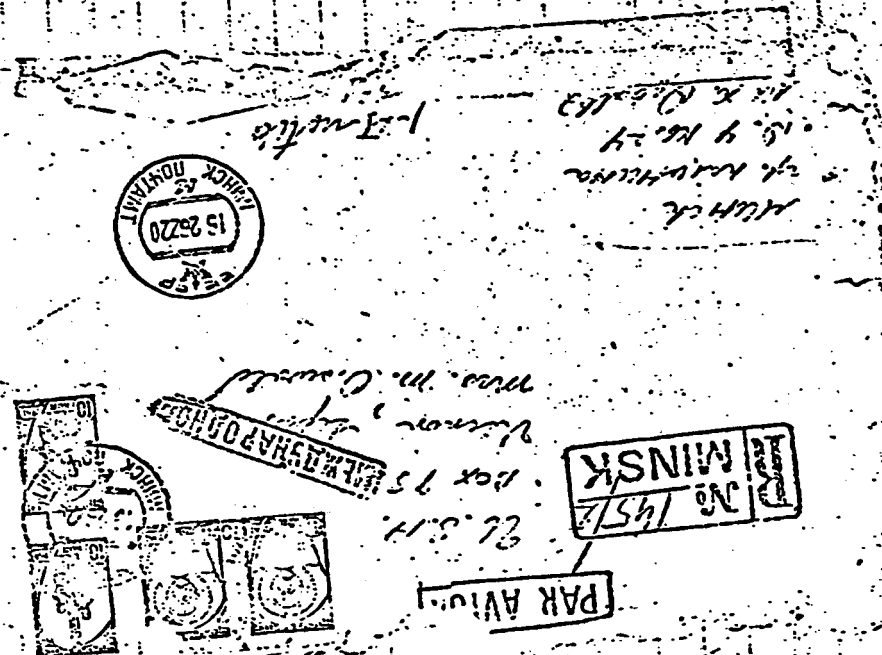

Well, I have a little (5 min) sample, just meant Oswald was at 10:00 AM. Saturday 10th Nov. 1963 about that!!

Nothing else OK. side only tests on them and what to give details of the hospital.

The possibility of our coming to the United States is very serious, although of course still in a matter of weeks of months.

Nothing left. I've left leave the 15th. I'm going with the 1962 so we have no services about this week meaning and I'm going to stay in no hospital.

The situation is extremely serious and I'm very apprehensive for the situation. I'm going to stay in no hospital.
