

Dear Mother

Commission Exhibit No. 201

Received your letter and was very unhappy
to hear of your trouble, I contacted the
Red Cross on the same day, and told them
about it. They will need someone out
to the home to see you, when they do
please tell them everything they want to
know, so I am trying to secure an
Early (hardship) discharge, in order to
help you secure a discharge as early
as possible. but if they know
you are unable to support yourself
then they will release me from the
U.S.M.C. and I will be able to come home
and help you. The Red Cross cannot
give you funds of any kind they
can only give you me, and only
if you make the right impression
on them. only if they know
you cannot and are not receiving help
from any other source, and only if
they know you are in dire need now!

please ~~to~~ tell them I will be able
to secure a good lot, as this is
important, also send me the names
of some actual business that I may
write them and get an acceptance letter.
This last point is not required but
it would help my case for a hardship
discharge if and when I bring it
before my commanding officer. Just
inform them ~~that~~ that there
is no other source of income.
