Commission Exhibit No. 233

Dear Prof. Cooper

Thanks for answering my letter concerning my son Lee. I have not had any word from him. Of course, I am still quite concerned and any information you might have would be greatly appreciated. I would like to know what date he applied for application, what is the amount of his deposit and if he will be entitled to a refund. If so, please forward that amount in my care. What course had he made application for. Thinking you in advance

I remain  
Sincerely,  
Miss Margaret Cowell
