I regard to your letter of
March 24. I understand it means
for the recovery of a personal inter-
view at the Embassy, however I will
to make it clear that I am asking
not only for the right to return
to the United States, but also for
full guarantee that I shall
not, under any circumstances be
prevented for any not returning
to this case. I made that clear
from my first letter, although
nothing has been said, even
negatively, concerning this in my
correspondence with the Embassy.
Unless you honestly think this
this condition can be met, I see
no reason for a continuance of
our correspondence, should, I shall
endeavour to use my relations in
the United States, to see about getting

something done in Washington.

As far as coming to Moscow, this would have to be on my own initiative and I do not see at this time making getting into a workable situation at a time I think is worthwhile.

Also, since my last letter I have gotten married.

My wife is Russian, born in Leningrad, she has no parents living and is quite willing to leave the Soviet Union with me and live in the United States.

I would not have been without my wife as arrangements would have to be made for her to leave at the same time as I do.

The marriage stamp was placed on my passport upon my departure, after some trouble with the authorities, no my wife was so far as the USSR is concerned, as the same is before.
