

Commission Exhibit No. 255

DEPT. OF THE GREEN SHIRT
RECEIVED
NOV 27 1932

Dear Mr. Hoover:

I am extremely sorry that I cannot
reply to you at this time.

Will the State Department
take place at the Embassy as
you suggest to suit the case?

Will I be required to
pay for my amount of time?

If so, how long?

I am writing in order to find
out whether a special type of
means is absolutely necessary.

I and my wife have been
convinced that our visit will be
great, if the Embassy has not
already received the documents for
my wife, from the Ministry of Foreign
Affairs, then I am sure you will shortly
I think that when the Embassy
writes us to return for the final
immigration papers etc., for my wife,

I will, at the time, fill out the
application papers for my passport.
However, if the Embassy can
provide me with papers in any form
that I will consider, making a
special trip to Moscow to make
arrangement of my official passport.
