Dear Robert,

I will be moving from this hotel, and as you may not wish to be disturbed, I have chosen to receive all letters with my post, so I will not write again, nor will I wish you to try and contact me. I am sure you understand that I would not like to receive correspondence from people in the country which I fled. I am starting a new life and I do not wish to have anything to do with the old life.

I hope you and your family will always be in good health

Commission Exhibit No. 298 -

Dear Robert,

May 5 '11

We have a long time since  
I have written you, more than a year,  
but has happened in that time.

I am now living in the city of  
Munich which is located about 30 miles  
west of Muenchen; Munich is the capital  
city of the lower part of the German  
Empire. I shall have been living here  
already a year and three months.

I and I live in Munich yet I  
wrote my last letter to you. I have  
been working at the local radio-  
television plant as a night-shift.

On April 30 of this year, I  
got married. My wife is a native  
born girl, she was born in the city  
of Koenigsberg, which is the second  
largest city in the R.S.G., she went  
on ahead and she was living with her  
parents' uncle. She is a much older  
I shall visit you.
