

Commission Exhibit No. 305 - Sept 10, 61

Sept 10, 1962

Dear Robert,

Well, apparently I was too optimistic in my last letters since you say you thought I would be coming so soon.

The Russians are holding me up, and are giving me some trouble about the visa, as for now I can only wait. In general for an ordinary Russian, it's impossible to leave the USSR, simply because he won't, too. However, I and my wife have the possibility because of the fact I am still a american citizen and have the U.S. passport.

My American documents are good only until Jan. 4, 1962, therefore you can expect that they will let me go before that date, since I will not extend the length of time on these documents after Jan 4, 1962.

however the Russians have been known
to hold people against international
law, and against their wills,
but as I say, time will show.
Monia did not write that letter
herself, but the words were hers.
I only translated them into English.
Monia doesn't know any English?
at all, and at home we always
speak Russian.

Roller Lee sounds like he
is growing into a fine boy and
catty is also quite a grown up
little lady, already 4 years old.
It hardly seems possible, I
resemble when mother phoned me
to say she was born, on Aug 22nd 1922.
I was in Calif., we were getting
ready to leave for Japan, and we
will leave on Friday ~~the~~ ^{the} 25th.
A lot has changed since then!!
Well I hope everything is alright.

and your book isn't giving you
any more trouble. keep writing
Yours brother J.
Kee
