Dear Robert,

I got your birthday card a few days ago. Thanks for the thought.

Mamma came back from her vacation on Oct. 27 so everything is back to normal here.

Well, it looks like I'm going to be a papa at the beginning of March. Of course, we want a boy, but you never can tell.

Our visas have still not come through, although we have already waited for four months. These people are never so quick to grant visas to anybody.

We heard over the radio today that the present Russian government has decided to remove Stalin's body from the hall on Red Square. This is big news here, and it's very funny for me. It shows what these people are made of; one day a hero is

...and another day somebody doesn't  
they employ a lot of "doublethink" over  
...and as when I listen to the  
...to some of the political commentaries  
we have here, I always think of George  
Orwell's book "1984" in which "doublethink"  
is the way of life also.

In any case, everything over here  
is very interesting, and the people are  
generally happy and well.

I haven't been doing too much  
hunting lately, I'm more a "home body" now.  
No fun.

Well, that's about all the news  
from Munich.

Yours cordially  
G. H.
