Dear Robert,

Well, I haven't heard from you for quite awhile either you're not writing or your letters aren't getting through to me.

I told you in my last letter that we have finally been granted exit visas for leaving the Soviet Union will probably be in the states in the spring.

You once said that you asked around about whether or not the U.S. government had any charges against me, you said at that time "no", maybe you should ask around again, its possible now that the government knows Im coming they'll have something waiting. Mother wrote me a letter the other day in which she informed me that the Marine Corps had given me a dishonorable discharge in Nov. 1959.

Did you know this?

Of course, this is not too bad, since it allows me of some duty, but still I should take this into account.

I wrote a letter to John B. Conally, Secretary of the Navy, who lives in St. Louis, asking about my dishonorable discharge, maybe you could ask him to look into the case since I don't know what the Bureau will let that letter through.

You said you were sending us something but he still having gotten anything don't worry packages are slow coming and going.

The Embassy said they will be about a loan for us when we leave as it seems our money problem will not be too acute.

Warren still has a month to go so by the time you get this letter, you'll be pretty close too being in week March 1 is the big day.

Mamma sends her love to all you.

I do hope to see you all soon.

I still don't know where we'll settle  
but I sort of like New Orleans.

How's the hunting out at the fair?  
How the weather, and all?

If you find out any information  
about me, please let me know, I'd like  
to be ready on the draw so I can speak  
will keep writing until I  
get ready to be here so don't quite  
writing

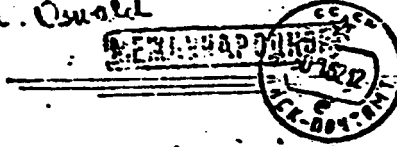

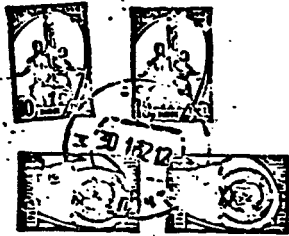

Your little  
Mamma
