

Johnny will remain left the hospital
on Feb. 24th.

Will probably be in the States
in May since we want to visit
for little June to gain weight
and strength.

In another month or so it'll
start to show out here although
I suppose it's already hot in Texas
I heard a "voice of America" program
about the museum releasing power.
I hope they aren't going to take
him in the U.S. or anything.

Thanks alot for your offer
of taking us in when we get back
to the state. It's a nice gesture
and I'll see about whether I'll
take you up on it or not, lads.
Lots about all for now loves
to the family.

P.S. little June looks just like Robert Jr.
