

April 12, 1916

Dear Robert,

Well spring has finally come to
Minsk with the snow melting and
above-freezing temperatures.

It looks like will be
leaving the country in April
or May, only the oceanic side
is holding us up now. The railway is
as slow as the Russians were.

How is everything at the
house?

I got a letter from the Marine
corps. not so long ago. Then I sent
them a request for a re-hearing
on my radical's discharge and told
them I would be back in the U.S.
after 30 days, and they could contact
me through your address.

Now that winter is gone,
I really don't want to leave until
the beginning of fall, since the

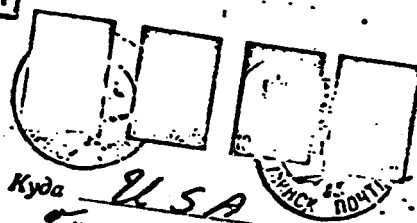

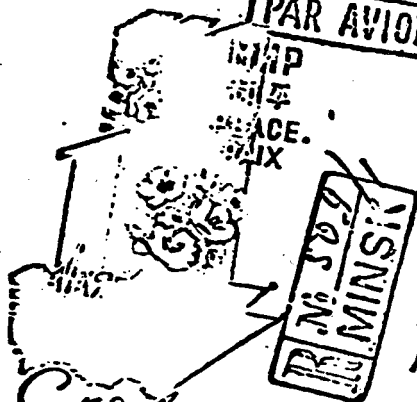

spring and summer here are so nice.
Mama and June are all right.
June already weighs 11 lbs or so.
she's real cute.
Mama sends her "hello" to the
family. That's about all for now.

Yours
Love
Lee
