It is hoped that consideration of your case, including review of the Discharge Review Board's findings by the Secretary of the Navy, will be completed this summer.

Sincerely yours,

Brief in Support of Applicant.

A review of my file, will show that a recommendation to separate me from the Marine Corps Reserve was concurred in by a Board of Officers at Bellevue Illinois, to become effective from September 13 1960, or 1 year 2 days from the time I was honourably discharged from active duty at, AHC, MCAS, El Toro Calif on 11 September 1959.

Referral of my case to this board was premised on the reported fact that I had renounced my American citizenship with intent to become a permanent citizen of the Union of Soviet Socialist Republics.

Since this was the sole reason I was separated from the Marine Corps Reserve and summarily given a Undesirable Discharge I do hereby request:

That the Board does convene to review this case.

This is a case which comes under the heading: ARTICLE 15(E)(1), i.e., a discharge improperly issued.

In this case there is no question as to service, which as the naval records show, was of a strictly honourable nature.

This case is a question of loyalty revolving out of my residence in the Soviet Union.

In requesting a review of this case, I can show I had not violated any laws or regulations pertaining to my prolonged residence abroad and that I am a loyal U.S. citizen.

(END)

Statement of Plaintiff

I request that this statement be made part of the

file

I have been informed that a board of inquiry was convened at Naval Air Station, Glenview, Illinois to determine my fitness to remain a member of the U.S. M.C. R..

I was separated from the U.S. M.C. R. with an undesirable discharge superseding my original honorable discharge of 11 September 1951 given at NAS Marine Corps Air Station, El Toro, Santa Ana, California.

This board was given to consider whether I had gone to the Union of Soviet Socialist Republics with the object of becoming a permanent citizen of that country.

Since I was not in the United States at the time of the convening of the board and since I was completely unable to communicate with anyone in the outside world through the Iron Curtain, this board found against me.

My relatives, who were notified of the convening of this board, could not conceivably present evidence on my behalf against such vaguely defined charges, without my knowledge of my whereabouts.

It was only on July 8, 1961 that I was able to put in an appeal at the American Embassy, Moscow after escaping from the detention.

222 ~~from the destination~~

of the city to which the Russian authorities had sent me. Subsequent events, through the active support of the U.S. Embassy, will see myself and my Russian wife in the U.S. very shortly.

As far as the case in question is concerned I can understand how, without any inquiry directed towards me, a conclusion of disloyalty might possibly be arrived at.

However, whether my choice of permanent or temporary residence may be in the U.S.S.R., or in the United States, grounds for such arbitrary action as was instigated against me cannot be judged as being fair or impartial.

I must point out that I have not violated any laws under the U.S. Code Section 1544 title 18.

I may say that even the most prolonged residence abroad is an accepted custom, and absolutely legal (as long as other pertinent regulations have not been violated).

In introducing the letter from the U.S. Embassy, Moscow, I have in mind the last paragraph Nov. 13, 1961, which states: "Meanwhile your retention of your present Soviet passport or an extension thereof does not prejudice in any way your claim to American citizenship." signed Joseph C. Norbury, American Consul.

222 Consular

whereas in the letter from the Embassy of January 31, 1962, you see I am at present in the Soviet Union only because of the technical difficulties in getting my family out of the Soviet Union.

The tone of the letter, while not an affidavit, clearly reflects the opinion of the American Embassy that I am undermining, through some sort of breach of loyalty, of their attentions.

743 request
of
airman
Kotowski
June 14, 1962

In presenting a notarized affirmation of valid U.S. citizenship I have had to present my valid U.S. passport and valid Soviet residential document to the notary.

In presenting my case I have avoided notarized affirmations, which would, under the circumstances, have to be in Russian. However I request in view of my particular case and my location that par. 12(B) NAVEXOS P-70 be in force throughout the proceeding.

Affirmation of contents of affidavit can be had by contacting that naval base, office or officer who can give such affirmation of contents (12(A) NAVEXOS P-70).

Since there is no other possible way to present my case, in consideration of the nature of the charge which was brought against me, I would like to include a request for the recommendation for reenlistment regardless of the findings of the Board, in accordance with

Commission Exhibit No. 780 D5

In accordance with
par. 15(c)(5) I request that the Board consider
my sincere desire to use my former training
at the aviation fundamentals school, Jacksonville,
Florida, and Radar operators school, Biloxi, Miss.,
as well as the special knowledge I have accumulated
through my experience since my release from
active duty, in the naval service.

I make the foregoing statements as
part of my application with full knowledge
of the penalties involved for willfully making
a false statement.

Summary of Petitioner's Claim: Petitioner requests recommendation for reinstatement, review of case and appropriate action. He submitted a brief which essentially states that his discharge was improperly issued. Also included was pet's statement and two letters from the U.S. Embassy, Moscow. As requested by pet, his lengthy statement was read to the board. It contained his contention that the Undesirable Discharge Board found against him primarily on the grounds that he went to USSR and allegedly renounced his U.S. citizenship to become a citizen of that country. Pet denied this allegation and claimed that since he had a choice of residence as an American citizen, such action could not be judged as being fair or impartial. He further stated that he did not violate any U.S. laws by his actions and quoted in part, an American Embassy, Moscow letter which stated: "Meanwhile, your continued retention of your present Soviet passport or an extension thereof does not prejudice in any way your claim to American citizenship."

REVIEW OF THE DISCHARGE OF OWARD, Lee HARVEY Ex-PG 165730 USMC CHARACTER OF DISCHARGE PLEASED UNDES (UNFIT) CONCLUSION

The service record of petitioner shows that he was discharged as unfit for good and sufficient reasons. This was based on reliable information which indicated that he had renounced his U.S. citizenship with the intentions of becoming a permanent citizen of the Union of Soviet Socialist Republics. Further, that petitioner brought discredit to the Marine Corps through adverse newspaper publicity, which was repeated by the foregoing action, and had thereby, in the opinion of his commanding officer, proved himself unfit for retention in the naval service.

After careful consideration of the facts presented in all available records of the Department of the Navy and of the claims and evidence submitted, the Board finds that the discharge was proper and equitable under standards of law and discipline applicable at the time, or since made applicable, and that the discharge accurately reflects petitioner's conduct and character during the period of service which was terminated by the discharge. Not finding sufficient evidence to support a contrary conclusion, the Board concludes that no change, correction or modification should be made in the type or character of the discharge.

~~SECTION IN CHARGE~~

It is the decision of the Board that the character of the discharge originally issued is proper and that no change, correction or modification be made in the Undesirable Discharge.
