THE VALIDITY OF THIS CERTIFICATE was limited for a period of 6 months beginning 6 days
after the first injection of the vaccine in the event of a declaration of a cholera outbreak of 6 months
or more in the area where it was given. In the United States, the time limit is one year for the same reason.

The doctor who issued this certificate is responsible for the health department of the country in which it was issued.

In the United States, the stamp is that of the local or State Health Department or the
Department of Health of the concerned government agency. This certificate is also valid for 6 months from the date of issue if it is issued by a designated cholera vaccination center. The use of the U.S. Public Health Service logo is also permitted by
the latter service.

Any amendment of this certificate, or change or addition to it, must be done in ink and signed by the doctor who issued it.

LA VALIDITÉ DE CE CERTIFICAT fut limitée pour une période de 6 mois à compter de la date de la première injection de la vaccine dans l'éventualité d'une déclaration de choléra de 6 mois ou plus dans la zone où il fut donné. Au Canada, le temps limite est d'un an pour la même raison.

Le docteur qui a émis ce certificat est responsable de la santé publique du pays dans lequel il a été émis.

En Amérique du Nord, le timbre est celui du Comité de lutte contre le choléra ou du Comité de lutte contre le choléra de la santé publique de la province ou de l'Etat.

Toute modification de ce certificat, ou toute modification ou ajout à ce certificat, doit être faite encre et signée par le docteur qui l'a émis.
