FEDERAL BUREAU OF INVESTIGATION

WASHINGTON 25, D.C.

April 6, 1964

Honorable J. Lee Rankin
General Counsel
The President's Commission
200 Maryland Avenue, N. E.
Washington, D. C.

Dear Mr. Rankin:

Your letter dated March 26, 1964, transmitted specific questions pertaining to the investigation of Lee Harvey Oswald prior to the assassination of President Kennedy and requested a detailed response to each question.

At the outset, I wish to emphasize that the facts available to the FBI concerning Lee Harvey Oswald prior to the assassination did not indicate in any way that he was, or would be, a threat to President Kennedy; nor were they such as to suggest that the FBI should inform the Secret Service of his presence in Dallas or his employment at the Texas School Book Depository.

The Oswald case was one of many thousands of investigative matters handled by the FBI. During the fiscal year ending June 30, 1963, the FBI handled 636,371 investigative matters in the criminal, civil and security fields. The extent, depth and urgency of each investigation necessarily are dependent on the available facts in the case. A file concerning Oswald was opened at the time newspapers reported his defection to Russia in 1959, for the purpose of corroborating information inasmuch as he was considered a possible security risk in the event he returned to this country. When we learned in 1960 that his mother was sending him money, we interviewed her and his brother, Robert Oswald, to determine the reason. Again in 1960 investigation was conducted to determine if he was in Switzerland, as we were advised he contemplated enrolling in a college there. The investigation was reinstated at the time of his return to the United States in 1962, and he was interviewed on two occasions in 1962 in an effort to ascertain if he had been recruited by the Soviet intelligence services and to evaluate him as a possible security risk.

Commission Exhibit No. 833

Honorable J. Lee Rankin

The investigation was continued in 1963 when it was reported that Oswald had corresponded with "The Worker," an east coast communist newspaper, and it was also reported he was engaged in activities on behalf of the Fair Play for Cuba Committee. This investigation was in progress when he was reported in October, 1963, to be in contact with the Soviet Embassy in Mexico, and on November 16, 1963, in contact with the Soviet Embassy in Washington, D. C. The purpose of the investigation was to determine the extent of his activities on behalf of the Fair Play for Cuba Committee and the reasons for his contacts with the Soviet Embassies.

In short, Oswald had gone to the Soviet Union at the age of nineteen and attempted to renounce his American citizenship. He had recounted; his passport had been returned to him and he had been permitted by the Department of State to return to the United States as an American citizen. After his return, he had subscribed to "The Worker," had distributed pamphlets for the Fair Play for Cuba Committee and had admitted publicly that he was a Marxist. He had been in contact with the Soviet Embassy in Washington, D. C.; and it was reported, but not confirmed, that he had been in contact with the Soviet Embassy in Mexico. The reason indicated for his contacts with the Soviet Embassies was to obtain visas to re-enter the Soviet Union. As previously indicated, his activities as known at the time of the assassination did not suggest in any way that he was a dangerous subversive; that he was violating any Federal law; or that he represented a threat to the personal safety of the President. There was no basis for the FBI to keep him under observation. In the absence of any information showing Oswald to be a possible threat to the President, there was no basis to inform the Secret Service concerning Oswald's presence or employment in Dallas, Texas.

The answers to your specific questions are set forth in the attached memorandum.

Sincerely yours,

J. Lee Rankin

Enclosure

LEE HARVEY OSWALD

1. QUESTION: Was there any FBI interest in Oswald before the April, 1960 FBI interviews of Mrs. Marguerite Oswald and Robert Oswald? If so, what was the nature and extent of the interest? What initiated the April, 1960 questioning of Mrs. Oswald and Robert Oswald?

ANSWER: Yes. The FBI's first interest in Lee Harvey Oswald arose as a result of a "Washington Capital News Service" release dated October 31, 1959, at Moscow which announced that Oswald, a 20-year-old former United States Marine, advised the United Press International during his press conference in his room at the Metropole Hotel, Moscow, that he had applied to renounce his American citizenship and to become a Soviet citizen for "purely political reasons." He further announced that he would never return to the United States.

We checked our records on October 31, 1959, and determined that our files contained no information identifiable with Oswald other than a service fingerprint card showing his enlistment in the United States Marine Corps (USMC) on October 24, 1956, at Dallas, Texas. On November 2, 1959, we determined through liaison with the United States Navy Department that the files of the Office of Naval Intelligence (ONI) contained no record of Oswald. On the same date, his record at the Headquarters of the USMC disclosed that Oswald had been released to inactive duty on September 11, 1959, with obligated service until December 8, 1962. No derogatory information was contained in the USMC files concerning Oswald, and ONI advised that no action against him was contemplated in this matter. A stop was placed in the files of the Identification Division of the FBI on November 10, 1959, so as to alert us in the event he returned to the United States under a different identity and his fingerprints were received. A file concerning Oswald was prepared and, as communications were received from other United States Government agencies, those communications were placed in his file. Our basic interest was to correlate information concerning him and to evaluate him as a security risk in the event he returned, in view of the possibility of his recruitment by the Soviet intelligence services.

The questioning of Mrs. Marguerite C. Oswald and Robert Oswald in April, 1960, arose as follows: We determined on January 25, 1960, that Mrs. Marguerite C. Oswald had transmitted

Commission Exhibit No. 833

the sum of \$25 to Lee Harvey Oswald in care of the Hotel Metropole, Moscow. That information prompted our interview with Robert Oswald and Marceline Oswald on April 27, 1960, and April 28, 1960, respectively.

2. **QUESTION:** At page 31 of the FBI Report on the Investigation of the Assassination of President Kennedy, it is stated that:

"An FBI investigation of Oswald had been instituted on May 31, 1962, so that the FBI could be notified of his re-entry by immigration authorities. The purpose of this investigation was to determine if Oswald had been recruited by a Soviet intelligence service."

What was the nature of the FBI's investigation prior to May 31, 1962? Why was the investigation to determine if Oswald had been recruited by Soviet intelligence not instituted earlier, since his plans to return to the United States were known much earlier than May 31, 1962. (According to the report of SA Fain of July 3, 1962, page 10, the files of the State Department Passport Office were reviewed on May 9, 1961, and revealed Oswald's correspondence with the U. S. Embassy in Moscow regarding his desire to return to the United States.)

ANSWER: Prior to May 31, 1962, our investigation involved the development of background information concerning Lee Harvey Oswald and the taking of appropriate steps to insure our being advised of his return to the United States. Such steps included a placing of a stop in our Identification Division records on October 18, 1959, inquiry through liaison channels in October 1960, to the Albert Schweitzer College in Switzerland, the periodic inquiry of State Department and relatives concerning the status of his efforts to return to the United States. Our inquiries at the government included inquiries on May 9, 1961, August 22, 1961, May 29, 1962, February 28, 1962, March 27, 1962, and May 5, 1962. On May 17, 1962, the State Department furnished information indicating that Oswald was returning to the United States and based upon that information, on May 31, 1962, a communication was directed by FBI Headquarters to the Dallas Office instructing that Oswald be interviewed upon his return. Other than these steps, until his return to the United States, there was no practical investigation which could have been initiated to determine if Oswald had been recruited.

3. QUESTION: Since the State Department advised the FBI on June 4, 1962 of Oswald's scheduled return, why did the FBI apparently wait until June 22, nine days after arrival, to check on his arrival? Why did the FBI not interview Oswald upon his arrival?

ANSWER: We did not wait until June 22, 1962, to check on Oswald's arrival. A news clipping on June 9, 1962, indicated that Oswald was on his way back to the United States and on June 12, 1962, our New York Office confirmed with the Immigration and Naturalization Service (INS) that Oswald's name was on the Advanced Manifest for the SS. "Maasdam." Our New York Office subsequently verified with INS the arrival of Oswald, his wife and daughter and determined that they were destined for 7313 Davenport Street, Fort Worth, Texas. The New York Office also determined that INS Inspector Frederick J. Wiederschein interviewed Oswald upon his arrival in the United States. Oswald told Wiederschein that he had been employed as a mechanic in Russia, had threatened to renounce his United States citizenship but had never carried out the threat, had never voted in Russia and had not held any position in the Soviet Government.

He was not interviewed by the FBI on his arrival in the United States, since the FBI preferred to interview him after he had established residence, and instructions had been issued to our Dallas Office on May 31, 1962, to this effect.

4. QUESTION: Did the FBI learn of Oswald's return to Fort Worth from his sister-in-law, Mrs. Robert Oswald (who advised on June 23, 1962 that he had arrived in Fort Worth on June 14), or was this information developed independently, and if so, in what way? Was Oswald placed under surveillance upon his arrival in New York, or was the first FBI contact the interview with him on June 26, 1962?

ANSWER: INS advised our New York Office on June 22, 1962, of Oswald's destination as 7313 Davenport Street, Fort Worth, Texas. On May 18, 1962, Mrs. Robert Oswald was interviewed and she promised to advise FBI Agents at Fort Worth immediately upon the arrival of Lee Harvey Oswald in Fort Worth. As Mrs. Robert Oswald did not notify the Agents, she was reinterviewed on June 26, 1962, at which time she advised that Lee Harvey Oswald, his wife and child had arrived in Fort Worth on June 14, 1962, and were currently residing at her address. He was not placed under surveillance upon his arrival in New York as such action was considered undesirable and unnecessary. Our first contact with him was on June 26, 1962.

Commission Exhibit No. 833

5. **QUESTION:** What was the FBI evaluation of Oswald as a result of the June 26, 1962, interview?

ANSWER: The report of SA John W. Bain dated July 10, 1962, contained the results of the interview of Oswald on June 26, 1962, by SAs Bain and D. Tom Carter. According to that report, Oswald exhibited an innocent and courageous attitude and when questioned as to why he made the trip to Russia, Oswald stated he did not care to "relive the past." Oswald did agree to promptly contact the FBI should he be contacted in the future under suspicious circumstances by representatives of Soviet intelligence. SA Bain described Oswald as being generally uncooperative, but said this interview developed no indications that Oswald represented any potential for acts of violence.

6. **QUESTION:** Why was Oswald interviewed so soon thereafter on August 23, 1962? What was the FBI evaluation of Oswald as a result of this interview? Where was this interview held, how long did it take, and was there anything remarkable about Oswald's behavior during the course of the interview?

ANSWER: The second interview of Oswald was conducted by SAs John W. Bain and Arnold J. Brown on August 23, 1962. The results of this interview are contained in the report of SA Bain dated August 23, 1962, at Dallas. This interview was in the nature of a follow-up interview to determine Oswald's employment, to again alert him to our interest should he be recontacted by the Soviets and to further evaluate whether or not he represented a security risk to the internal security of the United States. No information was developed during that interview to indicate he constituted a potential threat to the personal safety of the President or to anyone else. This interview was conducted in secure surroundings in an FBI automobile in the vicinity of Oswald's residence (at that time 2908 Mercedes, Fort Worth, Texas). This interview lasted from approximately 4:45 p.m. to 6 p.m. and Bain and Brown have advised that they noted nothing unusual about Oswald's behavior during this interview. Bain's recollection of the interview is that Oswald seemed a little evasive but was not belligerent or antagonistic and he gave no indication of being dangerous. Bain recalled that Oswald, during the interview, continued to play down the possibility that the Soviets were interested in contacting him but agreed to contact the FBI should the Soviets initiate contact with him in the future.

Commission Exhibit No. 833

7. **QUESTION:** The Retail Merchants' Credit Association of Fort Worth had stated that the FBI inquired about Oswald on February 27, 1961, and again on February 7, 1962. If these inquiries took place, why are they not mentioned in the FBI reports for the period involved?

ANSWER: Inquiries were made at the Retail Merchants' Credit Association of Fort Worth on February 27, 1961 (not February 27, 1962) and again on February 7, 1962. The purpose of these contacts was to obtain background data for leads concerning Oswald. Since both inquiries determined there was no record, these contacts were not considered pertinent for inclusion in an investigation report.

8. **QUESTION:** The report of SA Hosty of September 10, 1963, contains the following item:

"On April 21, 1963 Dallas confidential informant Q-2 advised that JAMES GARNETT of Dallas, Texas, was in contact with the Fair Play for Cuba Committee in New York City at which time he advised that he passed out pamphlets for the Fair Play for Cuba Committee. According to Q-2, GARNETT had a "background" book reading, "Hands Off Cuba Viva Fidel"."

Is this information correct as of the date indicated, and does it describe activities which occurred before Oswald's move to New Orleans?

ANSWER: Information from our informant, furnished to us on April 21, 1963, was based upon Oswald's own statement contained in an undated letter to the Fair Play for Cuba Committee (FPC) headquarters in New York City. A copy of this letter is attached as exhibit 61 in our Supplemental Report dated January 18, 1964, entitled "Investigation of Assassination of President John F. Kennedy, November 22, 1963."

Our informant did not know Oswald personally and could furnish no further information. Our investigation had not disclosed such activity on Oswald's part prior to this type of activity in New Orleans.

9. **QUESTION:** How and when did the FBI learn of Oswald's move to New Orleans?

Commission Exhibit No. 833

ANSWER: A confidential source advised our New York Office on June 26, 1963, that one Lee H. Oswald, Post Office Box 30031, New Orleans, Louisiana, had directed a letter to "The Worker," New York City. Our New Orleans Office checked this post office box and determined it was rented to L. H. Oswald on June 3, 1963, residence 637 French Street, New Orleans. This was an incorrect address and further inquiries showed Oswald was residing at 4905 Magazine Street, New Orleans. Oswald's residence in New Orleans was verified on August 5, 1963, by Mrs. Jessie James Carter, 4909 Magazine Street, New Orleans. On the same date his employment at the William B. Reilly Coffee Company, 640 Magazine Street, New Orleans, was determined.

10. QUESTION: What prompted the New Orleans FBI Office inquiry into Oswald's activities, which inquiry appears to have begun at least as early as June 23, 1963? (See report of SA Knack, October 31, 1963, page 3.)

ANSWER: As indicated above, the information received by the New York Office on June 26, 1963, that one Lee H. Oswald, Post Office Box 30031, New Orleans, Louisiana, had corresponded with "The Worker" was furnished to the New Orleans Office, and this caused that office to make inquiries concerning Oswald.

11. QUESTION: Why are items about Oswald's residence and employment in New Orleans set forth in almost identical form in the report of SA Hosty of the Dallas FBI Office (September 10, 1963) and the report of SA Knack of the New Orleans FBI Office (October 31, 1963)? Why is there no other mention in the Hosty report of information set forth in the Knack report under dates earlier than the date of the Hosty report, and in several instances under dates earlier than the items about residence and employment that appeared in both reports?

ANSWER: Oswald's residence and employment in New Orleans, Louisiana, were verified by the New Orleans Office of the FBI on August 5, 1963, and this information was furnished to the Dallas Office by letter dated August 13, 1963. This data was included in the report of SA James P. Hosty, Jr., dated September 10, 1963, to record that Oswald had left the Dallas Office territory and had moved to New Orleans. Since this information was originally developed by the New Orleans Office, when SA Milton R. Knack submitted his report dated October 31, 1963, at New Orleans, he included that information concerning Oswald's employment and

Commission Exhibit No. 833

residence. The additional information reported in SA Kaack's report, developed both prior to and subsequent to SA Fosty's report, was not sent to Dallas inasmuch as the New Orleans Office planned to and did include that information in its report.

12. QUESTION: Did SA Quigley, who interviewed Oswald at the New Orleans jail, or SA Kaack, who prepared a report on Oswald, review earlier FBI reports on Oswald? Were they aware that, contrary to his statement, Oswald had not lived with his mother following discharge from the Marine Corps, but rather had gone to Russia? Were they aware that, contrary to his statement, his wife's maiden name was not "Prosser", and that they had not married in Fort Worth but in Russia?

ANSWER: SA John L. Quigley's interview with Oswald at the New Orleans Police Department jail on August 10, 1963, was based on a telephone call from the police to the effect that Oswald had been arrested for disturbing the peace on August 9, 1963, in distributing 1500 leaflets and that Oswald had requested to see an FBI Agent. SA Quigley listened to what Oswald had to say and made it a matter of record. Quigley had not had an opportunity to review prior interviews and investigation of Oswald. SA Milton R. Kaack, who prepared a report concerning Oswald dated October 31, 1963, did review the results of prior FBI investigation concerning Oswald and he, of course, was aware of the various contradictions in the information furnished by Oswald. In the event the investigation of Oswald warranted a further interview, these discrepancies would have been discussed with him.

13. QUESTION: The information about Oswald's residence and employment in New Orleans is also substantially duplicated in the report of SA De Brueys of October 25, 1963 on the Fair Play for Cuba Committee -- New Orleans Division. Why, however, is Mrs. Oswald described only as "his wife" in the Fosty and Kaack report entries concerning residence information given by Mrs. Jessie Garner, while the De Brueys' report identifies her more specifically as "his wife, Marina Nikolaeveva Oswald" in the same reference to Mrs. Garner's statement? Has either SA Quigley or SA Kaack aware of this indication that Mrs. Oswald's maiden name was not "Prosser"?

ANSWER: The reports of SA James P. Fosty dated September 10, 1963, SA Milton R. Kaack, dated October 31, 1963, at New Orleans, both captioned "Lee Harvey Oswald" and the report of SA Warren C. De Brueys, dated October 25, 1963, at New Orleans

captioned "Fair Play for Cuba Committee - New Orleans Division" accurately set forth the basic information in this instance and in substance all three reports contain the same information with respect to Oswald's employment and residence. At the time SA John L. Quigley interviewed Lee Harvey Oswald on August 10, 1963, and prepared the results of that interview, he set forth the maiden name of Oswald's wife as it was furnished to him by Oswald. SA Kaack's report dated October 31, 1963, at New Orleans, pages 6 through 10, incorporated the results of SA Quigley's interview of Oswald. Inasmuch as Oswald had furnished Marina's maiden name to SA Quigley as "Prossie," it was so recorded in SA Kaack's report. SA De Brueys set forth the full name of Oswald's wife and the other two Agents did not feel it was necessary to do so in the content of their reports.

14. QUESTION: What was the FBI reaction to the advice obtained on August 30, 1963 from Mr. Bill Stuckey that Oswald had told him he had worked and been married in Russia as contrasted with his inconsistent statements to SA Quigley on August 10?

ANSWER: That Oswald's statements to Mr. Stuckey were inconsistent with Oswald's statements to SA John L. Quigley on August 10, 1963, was recognized. Those inconsistencies were considered in subsequent investigation. In the event the investigation of Oswald warranted a further interview, these discrepancies would have been discussed with him.

15. QUESTION: The report of SA Quigley of October 31, 1963 states that on August 22, 1963 Radio Station WDSU made available a transcript of the radio broadcast in which Oswald participated on August 22, 1963. Why does the report of SA De Brueys of October 25, 1963 not include this item, but state instead that on September 12, 1963 a confidential informant made available a transcript of the same radio broadcast?

ANSWER: Concerning your reference to the report of SA Quigley of October 31, 1963, it is assumed you have reference to the report of SA Milton R. Kaack dated October 31, 1963, at New Orleans concerning Lee Harvey Oswald. Page 11 of that report stated that on August 22, 1963, Mrs. Jeanne Rodgers, Secretary to the Manager, Radio Station WDSU, New Orleans, Louisiana, had made available a transcript of a radio broadcast. Page 12 of the report of SA Warren C. De Brueys dated October 25, 1963, at New Orleans captioned "Fair Play for Cuba Committee -- New Orleans Division" reported that on September 12, 1963, confidential informant NO T-3 made available a transcript of the same radio broadcast. That source is Mrs. Jeanne Rodgers. The date this transcript was obtained from her should have been reported in SA De Brueys' report as August 22, 1963.

16. QUESTION: The report of SA Kaack of October 31, 1963 stated that on October 1, 1963 a confidential informant who was acquainted with some phases of Communist Party activities in New Orleans, advised that Oswald was unknown to him. Why does this item not appear in the report of SA De Brueys, which instead includes a similar reference to a statement by a confidential informant made on October 15, 1963, that the informant did not know of Oswald or his wife? Why does this item not appear in the Kaack report?

ANSWER: The informant listed as confidential informant NO T-2 in the report of SA Milton R. Kaack dated October 31, 1963, at New Orleans entitled "Lee Harvey Oswald; IS - R - Cuba" is the same individual identified as NO T-2 in the report of Warren C. De Brueys dated October 25, 1963, at New Orleans entitled "Fair Play for Cuba Committee -- New Orleans Division; IS - Cuba; IS - Cuba." Therefore, both of these reports set forth the same information as to Lee Harvey Oswald. SA Kaack's report shows this informant was contacted on October 1, 1963, and had no information concerning Lee Harvey Oswald. SA De Brueys' report shows this same informant was contacted on October 15, 1963, and was questioned concerning the FPLC activities in New Orleans and Oswald and his wife. This is in accordance with our custom to check with confidential informants having knowledge of communist and subversive activities to determine if they know of the subject under investigation. There is no inconsistency in the reporting in these two reports.

17. QUESTION: The De Brueys report of October 25, 1963 states that on October 7, 1963 a confidential informant advised that P. O. Box 30016 did not exist in the New Orleans area, and on the same date inquiry at the New Orleans Retailers' Credit Bureau failed to turn up any record of an A. J. Hidell. Why do these items not appear in the report of SA Kaack of October 31, 1963?

ANSWER: SA Milton R. Kaack did not repeat in his report of October 31, 1963, the negative record checks with the New Orleans Retailers' Credit Bureau or a check of the city directory in New Orleans regarding A. J. Hidell nor did he report the negative check to determine the subscriber to P. O. Box 30016, inasmuch as he had already determined the correct P. O. Box, 30061, which was rented by Oswald on June 3, 1963.

Commission Exhibit No. 833

18. QUESTION: When did the FBI first obtain from the New Orleans Police Department the list of Russian names and telephone numbers which had been obtained from Oswald's wallet at the time of his arrest? If this information was retained by the New Orleans Police Department but not made available until after the assassination, has the FBI received any explanation for this delay?

ANSWER: The FBI first obtained a copy of the list of Russian names and telephone numbers on November 29, 1963. This list was made available to our New Orleans Office by Lieutenant Francis L. Martello of the New Orleans Police Department, who explained that this data had inadvertently been placed with pamphlets, leaflets and booklets taken from Oswald at the time of his arrest on August 9, 1963. Martello said he had not submitted a report until contacted on November 29, 1963. Martello's report is set forth on pages 364-373 of the Report of SA Warren C. De Brueys dated December 2, 1963, at Dallas, captioned "Lee Harvey Oswald."

19. QUESTION: How did the FBI evaluate Oswald's voluntary request to be interviewed by the FBI in New Orleans, particularly in view of the attitude he displayed at earlier interviews?

ANSWER: As is customary with the FBI, when an individual requests an interview, we accommodate him and make a record of the interview. This was done in the case of Oswald when he requested through the New Orleans Police to be interviewed on August 10, 1963. The results were set forth by SA John L. Quigley following the interview. It was apparent from the interview with Oswald on August 10, 1963, that he was making a self-serving statement in an attempt to explain his activities in connection with his distributing leaflets for the FPCC.

20. QUESTION: What was the FBI evaluation of Oswald as a result of the August 10, 1963 interview? What was the FBI evaluation of the Fair Play for Cuba Committee during the summer of 1963, and of Oswald's work for it?

ANSWER: During the interview of Lee Harvey Oswald on August 10, 1963, he appeared to be responsive in furnishing general background information concerning himself and some information concerning the FPCC. However, his attitude changed when he was

Commission Exhibit No. 833

handed for details regarding meetings and identities of other KKK members in New Orleans and he obviously was evasive and uncooperative as indicated by his statements that although he knew other KKK members by their first names, he could not recall such names and further by his refusal to disclose how he contacted other alleged KKK members in New Orleans for purpose of notifying them of meetings held allegedly at Oswald's residence in New Orleans.

At no time during the August 10, 1968, interview with Oswald by SA Gandy did Oswald give any indication he was potentially dangerous or might engage in an act of physical violence.

In regard to the KKK during the Summer of 1968, you are advised that our investigation during that period in New Orleans disclosed no existence of organized KKK activities in the New Orleans area. The only activities in behalf of the KKK appeared to be those efforts made by Oswald. However, as there were no KKK activities in New Orleans prior to Oswald's activities in behalf of this organization in New Orleans and since there have been no KKK activities in New Orleans subsequent to Oswald's departure from New Orleans in September, 1968, it appears that the only activities of such organization in New Orleans were those promoted by Oswald.

In regard to over-all activity of the KKK during the Spring of 1968 throughout the United States, we have noted that your letter of March 26, 1968, to this Bureau requested in detail that we possess concerning such organization. Therefore, we are responding to your March 26, 1968, letter by separate communication.

24. QUESTION: May I see the FBI Identification Division furnish an identification record to the New Orleans FBI Office consisting of a description of the two occasions on which the FBI had received Oswald's fingerprints: first, upon his entry into the Marine Corps; second, upon his arrest in New Orleans? May I see this information furnished under FBI number 327 925 D, and not under Oswald's FBI Bureau File Number which is 105-32555?

ANSWER: It is the policy of this Bureau that the subject of a security investigation of interest to this Bureau is arrested, a complete copy of his identification record as maintained by the FBI Identification Division is furnished to the office concerned for its information.

Commission Exhibit No. 833

Under FBI procedures, the FBI Identification Division maintains a separate filing system for handling fingerprint records. At this particular instance, the FBI identification record of C-103-327-926 D. The investigative reports on the subject are handled under a different file number. In connection with Oswald, this Bureau utilized file number 103-32555 to handle the investigative reports of Oswald.

22. OSWALD: The FBI Report on the Investigation of the Assassination of President Kennedy, page 39, states that in October, 1963, an investigation was initiated to ascertain the whereabouts of the Oswalds, following advice from a rental agent that they had vacated their apartment and that Mrs. Oswald and their child had departed in a station wagon with Texas registration. What was the reason for this investigation to ascertain Oswald's whereabouts?

OSWALD: In view of Oswald's background and activities prior to his becoming involved in him. Therefore, when the FBI Agent advised on October 1, 1963, that the Oswalds had moved, investigation was initiated to determine their current whereabouts.

23. OSWALD: What was the FBI reaction to the CIA report of October 10, regarding Oswald's visit to the Soviet Embassy in Mexico City? May did the FBI not request additional information or follow-up information by the CIA? What was the FBI evaluation of Oswald in view of the CIA report?

OSWALD: The investigation of Oswald in 1963 prior to receipt of the Central Intelligence Agency communication dated October 10, was directed toward the primary objective of ascertaining the nature of Oswald's sympathies for, and connection with, the Communists or other subversive elements. The Central Intelligence Agency communication which reported that a man, tentatively identified as Oswald, had inquired at the Soviet Embassy concerning a telegram which had been sent to Washington did not specify the nature of the telegram. This contact with the Soviet Embassy interjected a new aspect into the investigation and raised the obvious questions as to why he was in Mexico and exactly what were his relations with the Soviets. However, the information available was not such that any additional conclusions could be drawn as to Oswald's sympathies, intentions or activities at that time. Thus, one of the objectives of the continuing investigation was to ascertain the nature of his relations with the Soviets considering the possibility that he could have been recruited by the Soviet Intelligence Services. The Central Intelligence Agency communication dated October 10, 1963, stated that any further information received

Commission Exhibit No. 833

concerning Oswald would be furnished and that our liaison representatives in Mexico City were being advised. On October 18, 1963, one of our FBI liaison representatives in Mexico City was furnished this information by Central Intelligence Agency and he arranged follow-up with Central Intelligence Agency in Mexico City for further information and arranged a check to establish Oswald's entry into Mexico. Subsequent to the assassination, Central Intelligence Agency also advised us of Oswald's contact with the Cuban Embassy in Mexico City at the time of his visit there.

24. QUESTION: Was the FBI aware of Oswald's application on June 24, 1963, for a passport, or the issuance of a passport on June 25, 1963? May did the FBI not request that the Passport Office of the Department of State include Oswald on a list which would have resulted in advice to the FBI of any application for a passport?

ANSWER: The FBI was not aware of Oswald's application on June 24, 1963, for a passport or of the issuance of a passport to Oswald on June 25, 1963.

We did not request the State Department to include Oswald on a list which would have resulted in advising us of any application for a passport, based on the facts relating to Oswald's activities at that time did not warrant such action. Our investigation of Oswald had disclosed no evidence that Oswald was acting under the instructions or on behalf of any foreign government or instrumentalities thereof.

25. QUESTION: What prompted the FBI efforts to locate Oswald on October 18 in Fort Worth, or Robert Oswald on October 19 in Fort Worth (before receiving advice on October 25, 1963, that Oswald had given the New Orleans Post Office a forwarding address in Irving, Texas)?

ANSWER: Information from Mrs. Jessie James Carter, 4509 Magazine Street, New Orleans, Louisiana, on October 1, 1963, to the effect that Oswald and his wife had vacated their apartment at 4505 Magazine Street, New Orleans, on September 25, 1963, and that Mrs. Oswald and child had departed in a station wagon bearing Texas license plates prompted our efforts to locate Oswald at Fort Worth, Texas.

26. QUESTION: May did the FBI make three attempts within eight days (October 29 - November 5, 1963) to locate Oswald? After being advised of his place of employment by Mrs. Paine, did the FBI attempt to locate him through that lead? Were any further efforts made between November 5 and November 22 to locate Oswald, and if not, why not?

Commission Exhibit No. 833

ANSWER: Following receipt of information that Oswald had reportedly been in contact with the Soviet Embassy, Mexico City, the investigation was conducted to determine Oswald's whereabouts and particularly his employment to ascertain whether he had access to sensitive information. These efforts included a pretext investigation in the vicinity of 2615 West Fifth Street, Irving, Texas, on October 29, 1963; personal contact with Mrs. Ruth Paine, 2615 West Fifth Street, Irving, on November 1, 1963, and again on November 5, 1963. These inquiries established that Oswald was employed at the Texas School Book Depository (TSBD), Dallas, Texas, in a nonstrategic position where he had no access to classified information or to information of a national defense nature and that he was residing at an unknown address in Dallas during weekdays and at the residence of Mrs. Paine during weekends. After Mrs. Paine advised on November 1, 1963, of Oswald's employment at the TSBD, a return telephone call was made to the TSBD to determine Oswald's residence address. Advice was received that Oswald was working at the same residence in Irving, Texas. No efforts were made between November 5, 1963, and November 22, 1963, to locate Oswald since his employment in a nonstrategic capacity had been established and arrangements had been made with Mrs. Ruth Paine to be advised of any change in the status of Oswald.

27. QUESTION: Did SA Hosty interview Marina Oswald and her son alone on November 1, 1963, or was he accompanied by another agent or agent? At what time on day did SA Hosty conduct his interview on November 1, 1963, and did he receive any advice concerning the time when Oswald was expected to visit Mrs. Paine's home that day, or when he might be there on another day?

ANSWER: SA Hosty was alone when he interviewed Mrs. Ruth Paine on November 1, 1963. Marina Oswald entered the room during the course of the interview but was not formally interviewed by SA Hosty at that time or any other time prior to the assassination.

The interview was conducted approximately 2:30 p.m. SA Hosty did not receive or specifically ask for information as to when Oswald was expected to visit Mrs. Paine's house on that day or a later day. The information in which we were primarily interested had been established--Oswald was in Dallas and was employed in nonstrategic work.

28. QUESTION: What was the FBI evaluation of confidential information received on November 18, 1963 regarding Oswald's letter to the Soviet Embassy in Washington?

Commission Exhibit No. 833

ANSWER: The information received on November 18, 1963, concerning Oswald's contact with the Soviet Embassy tended to confirm his contact with the Soviet Embassy in Mexico City as reported by the Central Intelligence Agency and to indicate the reason for such contact, namely to secure visas to the Soviet Union.

29. **QUESTION:** Did SA Hasty state to anyone on November 22, 1963, that Oswald had contacted two known subversive agents about 15 days before the assassination, but that the entire information was too secret? If so, to what did SA Hasty refer?

ANSWER: SA Hasty does not recall making such a statement on November 22, 1963, or at any other time, inasmuch as he was not in possession of any information to the effect that Oswald had been in touch with two subversives within 15 days prior to the President's assassination.

SA Hasty does recall that he advised Mr. Sorrels of Secret Service on November 22, 1963, that the FBI had information on Oswald which he was not free to furnish Sorrels, as it was too secret but Secret Service Headquarters could obtain the information from FBI Headquarters in Washington. In this connection, Hasty had in mind the information that Oswald had been in touch with the Soviet Embassies in Washington and Mexico City.

30. **QUESTION:** When and for what reason were pages 279 through 283 of the report of SA Gemberling of February 11, 1964 prepared (setting forth the entries in Oswald's address book which had not been included in the report of SA Gemberling of December 23, 1963)?

ANSWER: Pages 279 through 283 of the report of SA Gemberling dated February 11, 1964, were prepared at the time such report was being typed by the Dallas Office during the four-day period immediately preceding submission of such report to FBI Headquarters by the Dallas Office. In this connection, your attention is also directed to this Bureau's letter to the Commission dated February 27, 1964, enclosing an affidavit executed by SA Robert P. Gemberling explaining in detail his preparation and reporting of data in Lee Harvey Oswald's address book. You will note that in his affidavit, SA Gemberling explains why certain data in Oswald's address book was reported in his December 23, 1963, report, whereas the remaining data in Oswald's address book was reported in SA Gemberling's February 11, 1964, report.
