Mr. Ambassador don't let Mrs. Jackeline Kennedy come Danger!

- (1) The automobile with license 13 41 65 driven by a lawyer individual collided on July 22, 1963 at Cuba Street 99 at about 12 p.m going on to the sidewalk he tried to run over the owner of a bar at the corner of Brazil and Cuba (one day previously they found this individual with \$175000 one hundred seventy five thousand pesos in his billfold and he was at the 3* Precinct under arrest and was able to recover that sum (????..) The "Poquianchis" (possibly pimps or madams) of Cuba 42 who possess real "ton toms macutes huehuenches" (ancient Indian tom toms or drums?) use the automobile bearing licenses 13 41 65 for their abuses there at Cuba 42 they meet with Michoacan types such as Eli de Gortari (who lives at Tepoztecos 36 Col Narvarte) Yucatecans such as Guillermo Ponce and some Russians and Yugoslavs

- (2) Thus in Sept. of 1963 there was a meeting of Oswald and other Brother "3 puntos - points" with such as a short, aquiline nosed attorney who is an attorney and teacher of the 2nd year of "Bachillerato" (High School) in the Michoacan University of San Nicolas de Hidalgo he teaches the subjects of Political Economy to those whom he hopes to indoctrinate to the metaphysical pathos of spiritualism (pardon, of Communism) For that purpose he utilizes an ingenious system since he has discovered the secret which is jealously guarded by the Russians for mental communication in the great secret lodges (DESDEMONA FOLICULORUM) the CNOP which is nothing more than a den of these "prendo tonton Macutes" having the "visionuda" idea of killing Mr. Kennedy since ~~taxzx~~ terror is a favorite weapon they have attorneys and assassins on salary they saw that the PRI is too worn and they organized the CNOP at Berlin 9. While Kennedy and Johnson remain in power they (the CNOP) would be a zero to the left.

- (3) The only manner in which the CNOP won't continue to be a zero for the left was killing Kennedy and waiting patiently, though gnashing their teeth, for Lyndon B. Johnson to be killed. Who will be the Brutus who kills the Ceasar of the modern world??.....
Watch out for Guillermo Ponce, (Tepoztecos 36)
Watch out for the professor of Political Economy of the Michoacan University.
Watch out for the Russian Mission that is visiting Michoacan and Quintana Roo, and look out for Panama where the communistic students are.
