## ~~Hoover Denies FBI Knew Beforehand Oswald A Killer~~

United Press International  
 DALLAS, April 24.—The "Dallas Times Herald" said in a copyrighted story today that FBI directors J. Edgar Hoover denied emphatically that his agency knew Lee Harvey Oswald was "capable" of killing President Kennedy. The FBI chief's statement, obtained in a telephone interview with the "Times Herald's" George Carter, backed up the previous denial by the FBI agent in question, James Hosty, that he had made such a statement to a Dallas police officer after Oswald was arrested for the assassination.

Hoover told the "Times Herald" that published reports of the alleged statement by Hosty to Dallas police Lt. Jack Revill were "absolutely false."
