For your information the Legat, Attache, Mexico City, is currently submitting to the Bureau 25 copies of letterhead memoranda prepared by that office in captioned matters. The Legat in Mexico requested by routing slip March 11, 1964, whether this number of copies should continue to be submitted or whether a lesser number will suffice. The Legat indicated that there would be savings of clerical time in the event a lesser number than 25 would suffice in captioned matters.

For your information, the Bureau needs an original and 9 copies of a letterhead memorandum from the Legat in Mexico reporting results of investigation in Mexico to handle dissemination responsibilities at Dept of Government. Your should immediately inform the Bureau how many copies of letterhead memoranda your office needs from the Legat in Mexico to satisfy reporting and investigation responsibilities of your office in each of the captioned matters.

Upon receipt of your communication, the Bureau will give appropriate instructions to the Legat in Mexico in these matters.

NOTE:

Early in this investigation when there was widespread dissemination at Seat of Government to other Government agencies and when a large number of personnel were handling the various facets of captioned investigations at Seat of Government, we instructed the Legat in Mexico to furnish 25 copies of letterhead memoranda to the Bureau. The Legat has now raised the question as to whether the number of copies can be decreased in order to achieve clerical savings in Mexico City Office. Upon receipt of requested data from Dallas appropriate instructions will be issued Legat Mexico in captioned matters.
