LEE HARVEY OSWALD

Concerning the markings on the large and small maps depicted in Exhibit D-240, a confidential source abroad has advised that the central markings in the J-7 and the H-3 areas of these maps define Lee Harvey Oswald's place of residence at the Hotel del Comercio at Bernardin de Sahagun Street, Number 19, Mexico, D.F., Mexico.

Examination by the FBI Laboratory of Exhibit D-237, the portion of the Transportes del Norte bus ticket obtained from Mrs. Oswald, established that D-237 was originally connected to the two ticket stubs depicted in Exhibit D-202. The examination further established that the D-202 ticket stubs were originally connected.

According to a confidential source abroad, [Mr. Ricardo Medina, Mexico City manager of the Transportes del Norte line] explained that tickets issued by his company for travel from Mexico City, Mexico, to Laredo, Texas, consist of three sections which are delivered to the purchaser. Each of these sections bears the same number. According to [Mr. Medina] one section is for travel from Mexico City to Monterrey and the second is for the travel between Monterrey and Laredo, Texas. The third section, recording the total travel from Mexico City to Laredo Texas, is retained by the passenger. This section (Exhibit D-237) records the price of the ticket to be ninety-three pesos and seventy-five centavos. The tickets of the Del Norte line are pink in color and are torn from a bound, numbered book of tickets in which a stub remains to record the sale thereof.
