Assassination Restaged For Warren Inquiry

DALLAS, May 24 (AP) Federal agents spent seven hours today tediously reconstructing the Dallas motorcade scene in which President Kennedy was assassinated.

Cameras recorded the re-enactment for the Warren Commission, which is charged with investigating the Nov. 22 assassination.

J. Lee Rankin, chief counsel for the Commission, said agents were "just trying to check out some of the approximate positions and places of the car at the time of the shots."

Rankin said it was the most extensive re-enactment, surpassing a similar reconstruc-

tion by the Secret Service shortly after the assassination.

"We wanted to be as accurate as we could in the reconstruction," Rankin said, revealing that the actual murder weapon was used in the re-enactment.

A Federal agent repeatedly poked the weapon through the sixth floor window of the Texas School Book Depository Building from where police say Lee Harvey Oswald fired the fatal shots.

Scores of spectators watched silently as a limousine containing four agents moved time and again along the motorcade

route in front of the Depository building.

Dallas Court to Weigh Ruby Sanity Hearing

DALLAS, May 24 (UPI) Prosecutors and defense attorneys will meet with District Judge Joe B. Brown on Monday to discuss a sanity hearing for convicted killer Jack Ruby.

District Attorney Henry Wade said he would fight a sanity hearing for the 54-year-old slayer of accused presidential assassin Lee Harvey Oswald. Wade believes that Ruby knows right from wrong.
