**2 OTHER RIFLES REPORTED  
 TAKEN TO DALLAS BUILDING**

Another man employed in the Texas School Book Depository Building in Dallas, Tex., where Lee Harvey Oswald worked, brought two rifles to the building to show acquaintances a few days before the assassination of President Kennedy, it was learned today from testimony before the Warren Commission.

David W. Belin, a staff counsel to the commission, told about the incident in testimony last May 6.

He said an FBI document quotes Roy Truly, Oswald's employer, as saying in an interview on Nov. 22, 1963, the day of the tragedy, that it was possible Oswald saw him with a rifle in his hands "within the past few days."

Truly, according to the document, said Warren Caster, employed by Southwestern Publishing Company, which has an office in the same building, had come to his office with two rifles. One was a .22-caliber rifle that Caster said he had purchased for his son, and the other a larger more high-powered rifle that Caster said he had purchased to go deer hunting.

Truly told the FBI he examined the high-powered rifle, raised it to his shoulder, sighted over it and then returned it to Caster, who then left with both rifles.

Truly stated that he himself does not own a rifle, Belin told the commission.
