THE OSWALD AFFAIR: An Examination of the Contradictions and Omissions of the Warren Report

by Léo Sauvage

"...an excellent American translation... Sauvage has written a lively newspaper man's account." *Robert M. Slusser, Baltimore Sun*

"Can we continue to live a lie about what happened in Dallas on November 22, 1963...?" *Richard Popkin, The New York Review of Books*

"...of the two, Sauvage's book is clearly the more objective. It also offers the bonus of brief reviews of other critiques of the commission..." *Bruce B. Van Dusen, Detroit News Editorial Writer*

"I ask nothing better than to be convinced—but no matter how I turn the case around to see it from every angle, I find nothing to show that Oswald was the assassin of President Kennedy..." *Leo Sauvage*
