'Key Witness' Named in JFK Plot

NEW ORLEANS, March 23 (UPI)—The District Attorney's office named a New Orleans tavern operator today as an "important and material witness" in its investigation of an alleged plot to kill President Kennedy and began steps to have the man returned to the city. Gordon Novel, who appeared before the Orleans Parish grand jury last week, was located last night in Columbus, O., where he was outspoken in his criticism of the investigation by Dist. Atty. Jim Garrison. (See Page 3).
