

# Garrison Charges 2nd Man With Plotting Kennedy Death

NEW ORLEANS (AP) — Dist. Atty. Jim Garrison has charged Edgar Eugene Bradley, 49, of North Hollywood, Calif., with conspiring to murder President John F. Kennedy.

Bradley, on learning of the charge, said of Garrison: "This man is either being highly paid to do this or he's off his rocker."

Bradley denied any part in the shooting of the late President, who was assassinated in Dallas Nov. 22, 1963.

Bradley said he is a West Coast representative of the Rev. Carl McIntire, a syndicated radio broadcaster and president of the American Council of Churches.

Bradley was the second man charged by Garrison with conspiracy to murder Kennedy. A similar charge was filed against Clay L. Shaw, 54, a wealthy retired New Orleans businessman, March 1. He awaits trial.

Garrison, reached yesterday at a Los Angeles hotel where he registered under an assumed name, declined comment.

Garrison has been pursuing his assassination probe for about

a year, although the official Warren Report said Kennedy was killed by a lone sniper, Lee Harvey Oswald, formerly of New Orleans.

Garrison contends there was a conspiracy involving several men, sponsored by extreme right-wing political forces. Bradley said that McIntire "has been described as a right-wing broadcaster."

## "Don't Know Anything"

"But I'm neither a right-wing extremist or a left-wing extremist," Bradley added. "I don't know anything about Garrison or the Kennedy affair."

Garrison gave no background on Bradley when he filed a bill of information through his office in New Orleans making the charge. However, a photograph of Bradley was given out with the announcement.

"It looks like a rather recent photo of me but I don't know where they got it," said Bradley, when he saw a transmitted

print. "The suit I have on in the picture is only a year or so old."

A bill of information is a method of filing a charge which does not involve the grand jury. Garrison used the same method when he first charged Shaw. Later, Shaw was indicted by an Orleans Parish grand jury.

The Shaw indictment charged him with conspiring with Oswald, David Ferrie and "unnamed others" to kill Kennedy. Oswald and Ferrie, a New Orleans free lance pilot, are dead.

The Bradley charge did not name any of the "others" allegedly in on the conspiracy. It said he "did willfully and unlawfully conspire with others to murder John F. Kennedy."

"Like Clay Shaw, Mr. Bradley's name did not come up in the federal investigation of the assassination nor is his name mentioned anywhere in the 26 volumes of the Warren Report 'inquiry' into the case," the Garrison announcement said.
