## Garrison <sup>A-7</sup> Seeks Arrest Of Ex-Aide

NEW ORLEANS, March 4 (UPI) — District Attorney Jim Garrison today ordered the arrest of one of his former research assistants on charges of supplying secret state information to Clay L. Shaw's attorneys.

Garrison said the researcher, Thomas Bethell, gave a memorandum listing the substance of testimony of each state witness to Salvatore Panzeca, one of Shaw's attorneys, last August. Bethell left Garrisons' staff in the fall.

Shaw was acquitted Saturday of charges he conspired with Lee Harvey Oswald and David W. Ferrie to assassinate President John F. Kennedy.

The law under which Bethell is charged carries a penalty of six months in jail and/or a \$100 fine.

Last year Garrison filed theft charges against William Gurvich after Gurvich resigned as an investigator for the District Attorney's office. He accused Gurvich of stealing valuable papers when he left the job.

Garrison on Monday charged Shaw with two counts of perjury. The charges said Shaw lied when he testified at his trial that he did not know Oswald or Ferrie.

Shaw's perjury trial was assigned today to Criminal District Judge Malcolm O'Hara, who was Garrison's opponent in the 1965 District Attorney's race. O'Hara was one of three judges who conducted a preliminary hearing in 1967 for Shaw and ordered him held for trial.
