**A. Zapruder,
Filmed JFK
Assassination**

DALLAS, Aug. 31 (UPI)—
Abraham Zapruder, 66, the
only person to take motion
pictures of the assassination
of President John F. Kennedy,
died yesterday of cancer. He
had been in and out of hos-
pitals for some time and died
at Dallas' Presbyterian Hos-
pital.

Mr. Zapruder was standing
near the corner of Elm and
Houston Streets on Nov. 22,
1963, taking color motion pic-
tures of Kennedy's motorcade
as it passed in front of the
Texas Book Depository.

His pictures showed Ken-
nedy being hit and slumping
forward in his car. The time
sequence of the pictures ran
from shortly before the Pres-
ident was shot until the mo-
torcade sped away toward
Parkland Hospital.

The Warren Commission
used Mr. Zapruder's films ex-
tensively in issuing its report.

The films have also been
used by others in attempts
to prove different theories
about the assassination. Some
have said the films show that
there were more than three
shots fired and the shots came
from more than one direction,
both of which the Warren
Commission denied.
