organizer

on may 27 1963 I requested permission from the FPCC headquarters at 299 Brok. New York 3, N.Y. to try to form a local branch in New Orleans. I received a cautious but enthusiastic go ahead from V.T. Lee national director of FPCC. I then wrote 4 layouts and had printed public literature for the setting up of a local FPCC. I hired persons to distribute literature. I then organized persons who display receptive attitudes toward cause to distribute pamphlets. I sought response from letter bureau cards of which there are many here in New Orleans. I infiltrated the Cuban Student Directorate and that carried them with information I gained including having the N.O. city attorney general call them in and put a restraining order pending a hearing on some so-called bonds for invasion they were selling in the New Orleans area. I caused the formation of a small, active, FPCC organization of members and sympathizers where before there was none.
