Dear Sirs:

In connection with the news report at the time of the police interrogation of Lee H. Oswald, prior to his murder, that he indicated membership in the American Civil Liberties Union, I enclose two public statements on this subject, one dated November 24 and one November 26.

We also enclose the original application of Oswald for membership referred to in our November 26 statement.

If there are any further questions about this matter, we would be happy to discuss it with a representative of the Department.

Respectfully submitted,  
*Ernest Angell*
