NAVY DISCHARGE REVIEW BOARD  
WASHINGTON 25, D.C.

D-17

Brief in Support of Application.

A review of my file, will show that a recommendation to separate me from the Marine Corps Reserve was concurred in by a board of officers at Selenus, Illinois, to become effective from September 13 1960, or 1 year, 2 days from the time I was honorably discharged from active duty at, Waco, Texas, at two o'clock on 11 September 1959.

Referral of my case to this board was premised on the reported fact that I had renounced my American citizenship with intent to become a permanent citizen of the Union of Soviet Socialist Republics.

Since this was the sole reason I was separated from the Marine Corps Reserve and summarily given a Undesirable Discharge I do hereby request:

that the Board does consider to review this case.

This is a case which comes under the heading: Article 15 (C) (1), i.e., a discharge improperly earned.

In this case there is no question as to service, which as the naval records show, was of a strictly honorable nature.

This case is a question of loyalty resulting out of my residence in the Soviet Union.

In requesting a review of this case, I can assure I had not violated any laws or regulations pertaining to my prolonged residence abroad and that I am a loyal U.S. citizen.

101-1177/63 NOT ORIGINAL

Statement of Plaintiff

I request that this statement be made part of the record.

I have been informed that a board was convened at Naval Air Station, Alameda, California to determine my fitness to remain a member of the U.S. M.C.R.

I was separated from the U.S. M.C.R. with an undesirable discharge superseding my original honorable discharge of 11 September 1957 given at NAS Marine Corps Air Station, El Toro, Santa Ana, California.

This board was given its credentials, whereas I had gone to the Union of Soviet Socialist Republics with the object of becoming a permanent citizen of that country.

Since I was not in the United States at the time of the convening of the board and since I was completely unable to communicate with anyone in the outside world through the Iron Curtain, the board found against me.

My relatives, who were notified of the convening of this board, could not conceivably present evidence on my behalf against such vaguely defined charges, without any knowledge of my whereabouts.

It was only on July 8, 1961, that I was able to put in an appearance at the American Embassy, Moscow after escaping from the detention

100-1173/63 NOT ORIGINAL

from the destination  
of the city to which the Russian authorities had  
sent me. Subsequent events, through the active  
support of the U.S. Embassy, will see myself and  
my Russian wife in the U.S. very shortly.

As far as the case in question is concerned,  
I can understand how, without any inquiry directed  
towards me, a conclusion of disloyalty might  
possibly be arrived at.

However, whether my choice of permanent  
or temporary residence may be in the U.S.S.R.,  
or in the United States, grounds for such  
arbitrary action as was instigated against me  
cannot be judged as being fair or impartial.

I must point out that I have not  
violated any laws under the U.S. Code Section  
1544 title 18.

I may say that even the most prolonged  
residence abroad is an accepted custom, and  
absolutely legal as long as other pertinent regula-  
tions have not been violated.

In introducing the letter from the U.S.  
Embassy, Moscow, I have it in mind the last  
paragraph Nov. 13, 1961, which states: "Meanwhile  
your retention of your present Soviet passport  
or an expiration thereof does not prejudice in  
any way your claim to American citizenship."  
Signed Joseph E. Norbury, American Consul.

100-11177/63 NOT ORIGINAL

whereas in the letter from the Embassy of January 31, 1962, you see I am at present in the Soviet Union only because of the technical difficulties in getting my family out of the Soviet Union.

The tone of the letter, while not on affidavit, hardly reflects the opinion of the American Embassy that I am undermining, through some sort of breach of loyalty, of their attentions.

In presenting a notarized affirmation of valid U.S. citizenship I have had to present my valid U.S. passport and valid Soviet residential document to the notary.

In presenting my case I have avoided notarized affirmations, which would, under the circumstances, have to be in Russian. However I request in view of my particular case and my location that par. 12(E) HAVEXES P. 70 be in force thru out the proceeding.

affirmation of contents of affidavit can be had by contacting that naval bureau, office or officer who can give such affirmation of contents (12(A) HAVEXES P. 70).

Since there is no other possible way to present my case, in consideration of the nature of the charge which was brought against me, I would like to include a request for the reconsideration for reenlistment regardless of the findings of the Board. is accordant with

Dear Sir,

I wish to call your attention to a case about which you may have personal knowledge since you are a resident of Fort Worth as I am.

In November 1959 an event was well publicized in the Fort Worth newspapers concerning a person who had gone to the Soviet Union to render his assistance (much in the same way E. Hemingway resided in Paris). This person in answer to questions put to him by reporters in Moscow criticized certain facts of American life, the story was blown up into another "Kerouac" sensation, with the result that the Navy Department gave this person a belated dishonorable discharge, although he had received an honorable discharge after three years service on Sept. 11, 1957 at El Toro, Marine Corps Base in California.

These are the basic facts of my case.

I have and always had the full sanction of the U.S. Embassy, Moscow, USSR, and hence the U.S. government. In as much as I am returning to the U.S.A. in this year with the aid of the U.S. Embassy, being with me my family (since I married in the U.S.A.) I shall employ all means to right this gross mistake as unjust to a long-pled U.S. citizen and of service now. The U.S. government has no charges or complaints against me. I ask you to look into this case and take the necessary steps to repair the damage done to me and my family. For information I would direct you to consult the American Embassy, Chisovski St. 19/21, Moscow, USSR.
