had not planned to contact the Mexican City Embassy at all so of course they were unprepared for me. Had I been able to reach Havana as planned I could have contacted the Soviet Embassy there for the completion of ~~which~~ ~~would~~ I would have been able to ~~to~~ ~~get~~ ~~the~~ ~~necessary~~ ~~documents~~ ~~and~~ ~~required~~ ~~assistance~~ ~~me~~. I would have had the time to assist me. But of course the ~~trip~~ trip Cuban Consulate was at fault here, Don Glad he has since been replaced by another.
