

Dear Sirs.

This is to inform you of events since my interviews with comrade Kostine in the Embassy of the Soviet Union Mexico city, Mexico.

I was unable to remain in Mexico City indefinitely because of my Mexican visa restrictions which was for 15 days only. I could not take a chance on applying for an extension unless I used my real name so I returned to the U.S.

I and Marina Nicholoyeva are now living in Dallas, Texas.

The FBI is not now interested in my activities in the progressive organization FPOC of which I was secretary in New Orleans, Louisiana since I no longer live in that State.

The FBI has visited us here in Texas, on Nov. 1st agent of the FBI James P. Hasty warned me that if I attempted to engage in FPOC activities in Texas the FBI will again take an "interest" in me. This agent also "suggested that my wife could "remain in the U.S. under FBI protection. That is, she could defect from the Soviet Union. Of course I and my wife strongly protested these tactics by the notorious FBI.

I had not planned to contact the Mexican City Embassy at all so of course they were unprepared for me. Had I been able to reach Havana as planned the Soviet Embassy there would have had time to assist me, but of course the stupid Cuban consulate was at fault here, I'm glad he has been replaced by another.
