The attached Booklet May 1970 has been received in the Records Branch, appropriately initialed, and indicated for file. By use of instant transmittal memorandum, all necessary recording and indexing will be accomplished. It is to be noted this form is for internal use only within the Records Branch, principally by the Routing Unit where bulky material not accompanied by memorandum is usually received.

The enclosure, if bulky and not usually filed with other papers in file, may be detached but this action should be clearly noted under the word "Enclosure."
