Dear Dr. Glass:

Your telegram of November 23rd has been received, and I want you to know that my staff and I certainly share your concern and sorrow over the brutal assassination of President Kennedy.

The President has instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past. Since our investigation has not been closed, I do not feel any comment would be appropriate at this time.
