Dear Mr. Lee

In regards to my efforts  
to start a branch in  
New Orleans.

I rented an office as I  
planned and was promptly closed  
three days later for some obscure  
reasons by the sisters. They  
said something about remodeling  
etc. In short you understood  
after that I worked out of  
a post office box and by  
using street demonstrations and  
some circular work have sustained  
a great deal of interest but  
no new members.

Through the efforts of some  
carbon-copy "queens" a street  
demonstration was attacked and  
we were officially cautioned by  
police.

This incident satisfied me of  
what support I had leaving  
me alone.

Nevertheless thousands  
of circulars were distributed and  
many, many pamphlets which  
your office supplied.

We also managed to pick  
the fleet when it came in  
and I was surprised at the  
number of officers who were  
interested in our literature.

I continue to receive through  
my post office a lot of inquiries  
and questions which I shall  
 endeavor to keep answering  
to the best of my ability.

Thank you.
