Director - Federal Bureau of Investigation

Washington, D. C.

Dear Sir:

At present I am compiling material for numerous forthcoming publications.

If possible and available, I would like to have copies of all of your office's statements beginning with Friday, November 22, which are concerned with the assassination of the President, the capture and murder of Lee Harvey Oswald, and the arraignment of his killer, Jack Ruby. Also, any other information which pertains to this case would be deeply appreciated.

Sincerely yours,

Ken Scott, Jr.
