La Puente, California

Dear Mrs. Weber:

Your letter of December 6th has been received.

In view of your comments, I feel it necessary to point out that all of our resources were used to consider every possible ramification of the assassination of President Kennedy and the murder of Lee Harvey Oswald. The report containing the results of our investigation is based entirely on facts and laboratory examinations -- not on speculation. Pursuant to the instructions of President Johnson, this report has been forwarded to the Attorney General and to the Presidential Commission.

The FBI has not made its report public inasmuch as the Presidential Commission has been charged with the responsibility to study all available information and make a finding in these matters.

Sincerely yours,

J. Edgar Hoover
