Assassination of Pres. John F. Kennedy
Dutch Aerogram to the FBI from a man who signs himself "a Hollander,"
but gives no name.

Amsterdam, Holland
(No date in the text)

Information on the murder of the President. Follow the tracks of Mrs. Diem and her daughter and the so-called millionaire where daughter Diem was photographed. That millionaire lived also in Texas. I believe if you follow carefully all those people and all (their) acquaintances, you will learn more. I hope so now.
