Mr. Robert T. Kennedy  
procudator of judgement  
of the United States of America

I wite to you with the most respect my family and I an comaent the family Kennedy sufering the death of our president. Mr. Kennedy, I was the one who write a letter to Mr. Kennedy your brother the one who telling him that they where going to kill him when he was going to Mexico. I found out from three men who where in the isrforce in Tijuana waiting from there boss I heard one of them saying that they hade to compesh with the death of Mr. Kennedy occansiolly now that they where going to get alot of money because they boss hade too many millions of money in Swiszerland. Two of them hade cowboys hats, one f shot and fat kind chineisse one young like the one in the newspaper but only with hat the coruly of the case that one of them I have seen him two times in Tijuana and before in the goven of Mexicaly. My wife with writing to the goven of Mexico D. F. asking for help to indeficate and to get the men to put in jell but I have a letter of them of the Procudaration of Mexico of them dating Dec. 7, 1962 and the other one Jan, 8 1963 where they telling me that they would send me representa-tive for having garanty to acouse that men. I fellt that they where going to kill Mr. Kennedy but they didn't pay andy atten-tion in Jan. still I wrote an other letter to Mexico to the president of Mexico and still they din't put attention. If the government of the United States wants to get one of these men I am acoparet to indeficate and get him still he confess who are the rest. In the letter that I sent to the president with date June 9. No. 804442 to the White House I asked in that letter that they wount have commentaries because they would have killed me and the rest of my family which are seven. When they recive my letter a officel came of the Fre the name was Mr. Peyton with telephone Be-4-62 11 or Be- 4- 6330 of the U.S. Secret Service . The officials tht I recive from the Procudaration of Mexico are in my power. I like a man and father of an family I give my life so that could be jugment for the death pf Mr. Kennedy that was all a man he dint care if they where all kind of colons and I would like to
