"Purge List" Investigation Commission of Kennedy Killings

Lyndon B. Johnson has appointed a "Top Level" Commission to investigate the Kennedy killings. Except for Senator Cooper and Congressmen Boggs and Ford, about whom I know little, who are used merely for window-dressing and who, for their own security, should take themselves out of this conspiracy, the members named, and their collaborators, are deeply involved in the killings and would necessarily be placed on any honest "Purge List" designed to restore constitutional government in the United States. I present the briefest biographical data on these individuals to open a line of necessary inquiry for a true investigation.

"Prime Movers, Ex-Officio": Scoundrels Robert F. Kennedy and Mc George Bundy, who "advised" Lyndon B. Johnson on those to be selected to the committee; leaders of the White House "Rat Pack - Irish Mafia"; totally disloyal to the Constitution of the United States; yielding loyalty only to Pope Paul of the Roman Church; prime conspirators with John F. Kennedy for the fraudulent overthrow of the "republican form of government" of our "sovereign people", through a "putsch" plotted in the 1960 election with Pope John XXIII, to establish the Pope as head of a Vatican world theocratic dictatorship.

Wall Street "Big Money" Conspirator: Scoundrel John J. Mc Cloy, prime mover of the Chase National Bank, and collaborator of scoundrels of world international bankers; as Military Governor and High Commissioner of Germany 1949-52, restored and rearmed Nazi scoundrels in Germany, betraying the millions of our soldiers whose blood was still wet on the battlefields of the world; as Assistant Secretary of War 1941-45, participated in writing the strategy of sparing German industries from bombings to assure profits on murder through investments of Wall Street bankers in Germany, through Swiss banks; as President of the World Bank and as agent of Chase National Bank with scoundrels perpetuating the Federal Reserve Bank swindle which has bankrupted the United States to a total of 1500 billion dollars.

Vatican Conspirators: Super-scoundrels Allen Dulles (inheritor of the treasons of John Foster Dulles and "Ex-Officio", John Mc Cone, both CIA world assassins who made bribery, blackmail and murder major instruments of U.S. internal and international policy. Consultant: J. Edgar Hoover, affectionate intimate of the seditious forces of the Vatican, promoting the Jesuit "party line" to overthrow the Constitutional freedoms of our people.

Wall Street - Vatican Link, "Ex - Officio": Scoundrel Lyndon B. Johnson; co-conspirator with the Kennedy "Mafia", with the Vatican in their "putsch" to win the White House through a fraudulent election; activities of his Texas machine alone adequate to nullify the entire presidential election; thereafter collaborating whole-heartedly with the Kennedy forces in executive action all legally null and void; involving him in the treason of betrayal of our government to Big Money and the Vatican, and to the United Nations internationalists waging war against our Constitution; in grave peril trapped in the White House by "Rat Pack Borgia" enemies. Texas Collaborator: scoundrel John B. Connally, Governor of Texas, who helped deliver the Texas fraudulent vote to Kennedy and Johnson, and whose own shooting is suspected.

"Judas Goat": Scoundrel Earl Warren, "soi-disant" Chief Justice of the United States; next to J.F. Kennedy the most hated man in the United States; who administered the oath of office to Kennedy well knowing that the election was fraudulent and constituted treason against the Constitution; who took his legal inspiration from the Roman Catholic Kennedy; participated regularly in the Roman Catholic "Red Mass"; collaborated in every Kennedy raid on our constitution; and reduced the entire judicial system of the United States to an all-time low of corruption.

Jacqueline Kennedy - "Ex-Officio": A loyal, willing daughter of the Pope, placed in office by the Vatican to perform Vatican (never Constitutional) political missions, exactly as Madam Nhu was placed in office to perform Vatican missions (both obviously selected by eyes having the same appreciation for feminine charm), duties which Mrs. Kennedy - like Madam Nhu - performed at highest levels of Roman Catholic competency, including her romantic interlude on the Mediterranean with a scoundrel Greek sniping tycoon; at the time Madam Nhu was engaged in her "bewitching" romantic interlude in the United States.

Robert F. Kennedy - The dominant force in the fraudulent, seditious scoundrels of the collaborationist

press, radio, commentators, columnists, television which, almost as a man glorified and glamorized every crime against the Constitution committed by the Kennedy gangsters, including the public lynching of Oswald, shot down in a public prison with the obvious advance knowledge and collaboration of the press, radio and television agencies working with the city and county police; accessories before and after the fact of this bloody crime.

Republicans: 2 (Cooper and Ford). Democrats: 1 (Boggs)

Collaborationists:

Their name is LEGION!

Representatives loyal to the Constitution:

None!

Representatives of Justice under law:

None!

CONCLUSIONS: The clear purpose of this fraudulent, scoundrel, Commission is to conceal, not to reveal - to block all possibility of open investigation - of the crimes surrounding the Kennedy killings. These killings bear the characteristics and signature of the White House - CIA killings of Diem and Nhu. All necessary vital information concerning these crimes is already bottled up among members of the Commission. To expect such a commission to reveal any truth is as silly as to expect Joseph Vaché to head a commission to investigate the crimes of "Cosa Nostra".

Kennedy was provided with several "doubles". If Kennedy was killed, it was because these conspirators wanted him dead. If the "double" was killed (as might have been expected if less than criminal inadequate security measures had been established), then we must search out Kennedy and determine his complicity in these crimes. If Kennedy is, in fact, dead, then we must seek the purposes of his killing. This, as I have reported before, was to remove him as a failure on Vatican policies by reason of his vacillation and ineptitudes; to take maximum public relations advantage of his corpse for future Vatican prestige, as manifested in four days of vulgar parading of the dead, and including the lighting of a "perpetual flame" over his grave of corruption (which may burn for as long as a few weeks); and to replace him - after the predicted murder of Lyndon Johnson, with John Mc Cormack, a bitter, ruthless, bigoted Roman Catholic named as Speaker of the House for the purpose, who will be eager to consummate the Vatican conspiracy of a world theocratic dictatorship, prepared to throw the H-bomb; prepared to perish in the rubble of the United States and the world, as Hitler perished in the rubble of Berlin. I warn all nations of the world of their dire peril as this conspiracy unfolds.

But the truth will be revealed nevertheless. Too many know too much for the truth to be concealed. These are the "latter days" - the Indians' "days of the end - the time of purification", when all things hidden shall be revealed. When the full truth of this stupendous conspiracy is exposed, the government of the United States will fall into chaos - an end which I have tried to prevent - followed by the collapse of our entire society.

As I have reminded you before, your allegiance is not to J. Edgar Hoover, nor to the Vatican, nor to Lyndon B. Johnson, but solely to the defense of the Constitution of the United States. Regardless of any position taken by J. Edgar Hoover on this investigation, it is mandatory that you, and all loyal members of the FBI, and all officials of government sworn to defend the Constitution, continue full investigation, using all associates whom you are able to reach, and all facilities and powers of government. I, as a "sovereign citizen" and as one who is, like you, sworn to defend the Constitution, direct that you proceed with this duty. My authority in issuing such a directive is absolute and not to be questioned. Under my announcement of the establishment of the Constitutional Provisional Government of the United States, on January 30, 1961, at the time of the fraudulent inauguration of John F. Kennedy at which time constitutional government disappeared in the United States, and in accordance with my military indoctrination and duty, I "assumed command", in the name of the Constitution and the people of the United States, to restore and defend the Constitution - as you, yourself, and other loyal public servants might have done, but did not.

Not as a threat, but to stiffen your own resolution, I remind you that when the process of "reclassification" of public servants according to their loyalty under their oath of office gets under way, it will be far better for you to be on the outside looking in, than on the inside with these scoundrels, looking out - to what final end has not yet been determined. A nation which expects to survive must find the means of taking into custody, and punishing by due process of law, its enemies who have betrayed it.
