Who, after being by me duly sworn, on oath deposes and says: Yesterday 11-22-63 I was sitting at Lamar and Jackson at the Greyhound Bus Station at 12:30 pm waiting for a fare. This boy walked up to the cab, he was walking South on Lamar from Commerce, he asked if he could get a cab, I told him, yes, and I opened the back door. He shut the back door and said he wanted to sit in the front. The boy said he wanted to go to the 500 Block of North Beckley. After we had gotten into the cab and I had turned my meter on, a lady came up to the cab and ask if she could get this cab. As I recall I said there will be one behind me very soon. I am not sure whether the man passenger repeated this to her or not, but I think he may have. I then drove away. I ask him what all of the sirens were about and he didn't say anything so I didn't say any more to him. I turned right on Jackson and traveled to Austin Street where I turned left and traveled Austin to Wood Street where I turned right on Wood Street. I traveled Wood Street to Houston Street turned left went over the viaduct to Zang Blvd. and traveled Zang to Beckley and turned left and traveled on Beckley until I reached the 500 Block of North Beckley. When I got in the 500 Block of North Beckley he said this will do and I stopped. The fare was 95 cents and he gave me a dollar and told me to keep the change. The boy got out of the cab and walked in front of the cab at an angle south on Beckley Street. This boy was small, five feet eight inches, slender had on a dark shirt with white spots of something on it. He had a bracelet on his left wrist. He looked like he was 25 or 26 years old. At approximately 2:15 pm this afternoon I viewed a line up of men in this City Hall. The number 3 man who I now know as Lee Harvey Oswald was the man who I carried from the Greyhound Bus Station to the 500 block of North Beckley. ~~XXXXXXXXXX~~

Ted Callaway, being first duly sworn according to law deposes and says:

I hereby wish to make the following statement of my own free will and accord to John J. Giuffre, who has identified himself to me as a Special Agent of the United States Secret Service.

On November 22, 1963, at approximately 1:00pm I was standing on the front porch of my office at 501 E. Jefferson Ave., Dallas, Texas, when I heard five gunshots. They seemed to be in a series of two shots followed by a series of three shots. I immediately jumped off the porch and headed toward Patton Street.

While proceeding toward Patton street I saw a man who I later identified at the Dallas Police Department, crossing from the east side of Patton to the west side of the same street. This was close to the intersection of Patton and E. 10th. I went the remaining distance, probably fifty feet in all, to Patton Street, and watched the man come south on Patton on the west side of the street. The man was not in a dead run, but rather in a good trot. When he reached a point approximately twenty feet north of me, and across the street from me I hollered out to him "man what the hell's going on" or something like that. At that point he slowed his pace slightly and turned and looked at me. He appeared to be very pale but not excited. He had a pistol in his right hand and was carrying it in a "raised pistol position".

I think he answered me, but I could not hear what he said. He also shrugged his shoulders as if to say he did not know what was happening. As I turned to my left after he passed, to say something to someone else, I could see the man with the pistol ~~was~~ going through the yard of the apartment house at the northwest corner of Jefferson and Patton. It appeared that he was heading west on Jefferson on the north side of the street. I then proceeded to the scene of the shooting.

After two or three minutes at the shooting scene, I picked up the police officer's service revolver and got the cab driver at the scene to help me try and find the man that I had seen with the pistol. We turned west on 10th and south on Crawford to Jefferson and then west on Jefferson to Beckley where we turned north. During the time we were on Jefferson, we did not see the man with the pistol.

I have been given an opportunity to make changes and corrections in this statement, and it is true to the best of my knowledge and belief.
