Who being by me duly sworn, on oath deposes and says: I am employed at the Texas School Jack-
sonitory at 411 Elm and have been since 1952. I was working on the sixth
floor today. There was six of us working on the floor. The others were Bill
Keyser, William Shaffer, Danny Arco, Benita Williams, and Charles Givens. I
worked until 12:00 noon, and went down on the first floor for my lunch and
went back to work at 12:45 p.m. I had already gone back to work and I gone down
on the first to get some stock when I heard a shot. It sounded like it was
coming from inside the building, but I couldn't tell from where. I went down
on the first floor, and asked a man named Eddie Piper if he had heard anything
and he said that he had heard three shots. I then went back on the sixth
floor. I didn't see anyone on the floor except the people I named. There was
one employee that is named Lee Oswald that I saw on the sixth floor. He
was all over the building, but I saw him on the sixth floor shortly before
noon. I didn't see Oswald in the building after lunch. ~~XXXXXXXXXXXXXXXXXXXX~~
