JAN 7 1964

Mr. J. Edgar Hoover  
Director, Federal Bureau  
of Investigation  
Department of Justice  
Washington, D. C.

Dear Mr. Hoover:

Enclosed is a copy of a letter from the Atomic Energy Commission referred to me by Assistant Attorney General Miller.

As you will note, the letter suggests that the application of nuclear analytical techniques might supply some useful information relative to the investigation conducted by your Bureau. I would appreciate your advice regarding the feasibility and desirability of taking advantage of this offer by Mr. Aebersold, Director, Division of Isotopes Development.

Thank you for your assistance in this matter.

Sincerely,

*J. Lee Rankin*
