 RESEARCH (CORRESPONDENCE AND TOURS)

Re Bureau airtel to Atlanta, 1/29/64.

Mrs. MYRTLE LYONS was interviewed on 1/31/64 and could furnish no information in addition to her letter; she was advised of the Bureau's jurisdiction. In connection with page 1 of her letter which she referred to what happened in Dallas on the 22nd and 24th of November, she stated that she was not sure from newspaper accounts whether or not OSWALD was actually the assassin of President KENNEDY. She stated that although she did not know her husband's whereabouts on that date, she hoped he was not involved. She stated that she has no reason to think he was involved in that or any other criminal activity. At this point, She became very emotional and throughout the interview she displayed evidences of emotional instability.

Since the Agent who interviewed her orally acknowledged her letter to the Bureau, Atlanta recommends no further contact with her and she will not be further interviewed UACB.
