ASSASSINATION OF PRESIDENT JOHN  
FITZGERALD KENNEDY, November 22, 1963,  
Dallas, Texas  
MISCELLANEOUS INFORMATION CONCERNING

On 2/4/64 Mr. TIM O'CONNOR, Manager, Radio Station  
KFML, 290 Filmore Street, Denver, Colorado, while being inter-  
viewed on another matter, advised SA RICHARD N. THOMAS that  
during the first week of January, 1964, a man whose name he  
never possessed had arranged a meeting with him at Denver in  
order to furnish information from an alleged FBI report on  
the assassination of President JOHN F. KENNEDY. Mr. O'CONNOR  
stated at this time that it was his recollection that the  
material in the possession of this man was stamped "Classified."

On 2/5/64 Mr. O'CONNOR advised SA RAYMOND J. FOX  
that on an unrecalled date between the Christmas and New Years  
holidays he received a phone call at Radio Station KFML from  
a man who informed him that he had information which he con-  
sidered urgent and newsworthy and which he wanted to furnish  
to Mr. O'CONNOR. O'CONNOR stated that at the man's instructions  
he went to a small coffee shop located on South Broadway across  
from the Montgomery Wards Department Store on that same after-  
noon. On arrival at the coffee shop he was met by two men,  
one of whom did all the talking, and the other of whom had  
very little to say. O'CONNOR advised that neither of these  
men would furnish their names and the spokesman for the two

tated that he was in possession of information which he was afraid would not be made available to the public unless he took this action. He said the man thereupon showed him 4 or 5 pages of mimeographed material, the first page of which bore the heading "The following is a report of the Federal Bureau of Investigation." Mr. O'CONNER stated that the page also had the notation "Classified", stamped on it within a black border. Mr. O'CONNER stated that no degree of classification was listed on this page and that the word "Classified" was all that appeared thereon. He described the mimeographed pages as being in his opinion a copy of another copy and stated that the words were barely legible and the condition of the pages themselves as being very poor. He also stated that it looked to him like a church or school bulletin and that the grade of the paper appeared to be very inferior.

Mr. O'CONNER stated that a perusal by him of the contents of these pages disclosed that it was merely a recount of the events of the assassination of the President JOHN F. KENNEDY which appeared in many newspapers. He said the only information which had not been public knowledge up to this time was a short paragraph claiming that the assassination of the President had been planned and executed by the "La Cosa Nostra" and that LEE HARVEY OSWALD had been paid by the "Cosa Nostra" to carry out the assassination of the President. O'CONNER said that this material also indicated that JACK RUBY was a "soldier" of the "Cosa Nostra" and had been instructed to do away with OSWALD after the assassination.

O'CONNER advised that since the news content of this material was not substantiated by any facts and in his opinion did not seem real to him, he told the two men that he was not interested in putting this information out over the air. He said that his reluctance to handle this information was further strengthened by the fact that they did not furnish their names or support the content of the material by any factual source.

Mr. O'CONNER advised that neither of these men claimed to be associated with the FBI nor did they furnish any credentials to support any association with any Government

DN 89-41

agency. He recalled that the spokesman for the two inferred that he had access to classified material and that he "got this out of the top secret classified file."

The format of the first page of the usual report of the FBI was described to Mr. O'CONNOR who stated that the collection of pages shown to him by the unknown man was not similar in any respect to an FBI report. He said the first page of the pages shown to him contained nothing other than the introductory paragraph alleging that it is a report of the Federal Bureau of Investigation, immediately followed by the subject matter.

Mr. O'CONNOR stated that he did not observe either of these individuals in or near an automobile and that he has not been recontacted by either since this initial contact. He was unable to furnish any information which would be helpful in identifying either of these persons. He described these men as follows:

No. 1, who was the spokesman:

Race	White
Sex	Male
Age	45 - 49
Height	6'2"
Weight	195 lbs.
Eyes	Unobserved
Hair	Gray, distinguished looking
Characteristics	Wore glasses

No. 2:

Race	White
Sex	Male
Age	45
Height	6'
Weight	180 lbs.
Characteristics	No glasses or distinguishing marks

Mr. O'CONNOR stated that should either of these men contact him in the future, he would notify the Denver Office of the FBI.

DN 89-41

The Dallas Office is requested to advise Denver whether prior information has been received regarding individuals such as those described above having contacted news media with an alleged FBI report.

Denver Office direct discreet contact with established sources in the radio field and determine whether a similar offer has been made to other radio stations in the Denver area in an attempt to identify these persons.
