Re: JOHN ROBERT KLINNER

The following information supplements information set out in memorandum dated January 17, 1964, concerning John Robert Klinner:

John Robert Klinner, on January 20, 1964, advised that he resides at the Santa Anita Motel, 16421 Collins Avenue, Miami Beach, Florida, in Room 123. He is employed as a swimming pool attendant by the Castaways Motel, which is located adjacent to the Santa Anita Motel.

~~Mr. John Robert Klinner~~
Klinner advised that he is separated from and in the process of securing a divorce from Marguerite Patricia Klinner. Klinner advised that to the best of his recollection during the afternoon of the date upon which President Kennedy was assassinated, he heard of the assassination while in an automobile with his wife on the way to the Miami International Airport. He stated he had no recollection of having been in Burdines Department Store, Miami. Klinner stated he was going to the airport to catch a plane for Nassau. He said that after arriving at the airport, he and his wife did make some telephone calls concerning the assassination, but the only people to whom they talked were his wife's relatives.

Klinner specifically denied making a telephone call to anyone to whom he referred as "Major." He stated he knew no one named "Wong." Klinner stated he was acquainted with a man who referred to himself as "Major," that this individual is connected with the Alpha 66 movement in Miami, and that he had been approached by members of the Alpha 66 movement who attempted to induce Klinner to join them in their endeavor. Klinner stated he had refused to have anything to do with the group.

Klinner said he felt that his wife was merely trying to embarrass him due to their pending divorce action.
