RE: STEVE GREGORY KENNEDY, aka.  
Istvan Sziraki, Steve Swarz,  
Istvan Swarz

There follows the translation of a letter in the Hungarian language received addressed to the FBI, Dallas, Texas. This letter was signed [REDACTED], was post-marked at Angola, Indiana, but bore no return address:

"Respected Sirs:

"I did not dare to report this before because I was afraid they would kill me and this is why I left Dallas. But it is also possible that this is only a fantasy and has nothing to do with the assassination of the President.

"STEVE GREGORY KENNEDY is a Hungarian man who came to America seven years ago and two years ago became an American citizen. It was then that he took the name of KENNEDY, before that he was called ISTVAN SZIRAKI and before that SWARZ. I think he is forty-three years old and single. In Hungary SZIRAKI was an A.V.H. officer and departed Hungary during the Hungarian revolution in fear of revenge of the many murders he committed as an A.V.H.-er. This is how he got to America where he is an agent of the Hungarian State Security Office (A.V.H); he works for them. His assignment is to collect data concerning Hungarian emigres. These are the facts: KENNEDY is a printer and works for one of the largest printers in Dallas. I know for sure that he distributed communist leaflets in Dallas and was in contact with the murderer of the President and gave him leaflets in RUBENSTEIN's bar. He frequented RUBENSTEIN's place of amusement. I was there with KENNEDY and he did not have to pay.

"KENNEDY was very nervous and restless after the assassination of the President, and wanted to go to Canada, but remained here. This is what I know about KENNEDY and I feel that he had something to do with the murder of the President,

"I beg you, sirs, not to mention my letter or anything else during the interrogation of KENNEDY, which would lead him to think of me because the organization to which he belongs would kill me, as it has others, but I could no longer keep this horrible secret to myself.

"Respectfully

The files of the Dallas FBI Office contain no material identifiable with the writer of above letter, nor with the subject under the names provided by the writer. The Dallas City Directory does list one STEVE SZIREKI, as a printer at the "Dallas Times Herald", residing at 2407 Grigsby, Dallas.

No information identifiable with this latter individual appears in the files of the Dallas FBI Office. It is not known whether this party is identical with the one concerning whom the writer's allegations are made.
