No. 84, March 18, 1964, Mexico,

The Atea "Who killed kennedy?" on page 29 attacks Tankes propagandist machinery which has tried to show! that President John F. Kennedy's assausin was Lee Harvey Oswald."

"The U. B. prople are asking 'Who Killed Kennedy? and begin to demand of the L. B. Johnson Administration to reveal are begin to demand of the b. S. Sobneon, then Vice President of the U. E. drove in another car and was not attacked at allowed for the Justice Warren received a multitude of documents and heard many withesses; but behind closed doors. Amongs the witnesses were Cavald's widow, a Eoviet citizen, and his mother ... Bark Lane appeared voluntarily before the Warren Commission and stated on Merch 4 that 8 days before the assessination of President Kennedy a secret night meeting was held in Jack Ruby's cabaret in Dallas, attended by the transit agent J. D. Tippit, Bernard Weisman and a third person whose bame he could not reveal in public. . A great newspaperman and writer, Thomas Buchanan, has dedicated himself to recompile and analyze all the declarations and 'official' information in connection with the death of Fresident Kennedy. Buchanan's work is extensive, well-substantiated and convincing; however, its publication was not desired in the U.S.A. and, thus, it had to be published in the French paper 'L'Express,' Paris, on February 20 and 27... Thomas Buchapan finally arrived at the conclusion that Kennedy's death was the plot of many persons; in which Osmald played a secondary role; there were two rifles and two assassins; one at the window of the Book Depository and another on the bridge. Oswald did not kill Kennedy, but knew all about the plot or at least about its essential part. Well, Kennedy's assassing feared that Oswald would denounce them and, therefore, killed him ... "

With reference to Ruby's trial, the item says that there was not one Negro among the 12 jurors... "Observers have the impression that Ruby's trial was a comedy which covered up and tried to bide the the true tragedy of Kennedy's assassination; a tragedy in which, according to Earl Warren, 'matters concerning the necurity of the state' are involved."
